

It's News Here!

Man Charged with Throwing 13-Month-Old Grayling Baby

A 19-year-old man was charged last Thursday with assault and battery with intent to do great bodily harm for reportedly throwing a 13-month-old baby across a room. The baby was apparently not injured but the 19-year-old man was taken to Mercy Hospital for treatment of minor injuries sustained during a fight with the father of the child. The father of the child and the man who reportedly threw the baby are brothers. Grayling City Police arrested the 19-year-old and ambulance personnel and Crawford County Department of Social Services workers were also called to the Americana Motel in Grayling where the incident occurred about 7:45 p.m. Besides charged with assault and battery, the 19-year-old was charged with disorderly conduct and lodged in the county jail. His name will not be released until arraignment in 83rd District Court.

Car, Semi-Truck Involved In Business Loop Accident

Grayling City Police reported another accident on I-75 Business Loop caused from someone leaving a business parking lot improperly onto I-75 Business Loop. One man and one woman were taken to Mercy Hospital for treatment of minor injuries from the accident Friday at about 3:58 p.m. near Glen's along the I-75 Business Loop. One car and a semi-truck were involved and police issued citations.

Sec'y. of State To Meet Here

The Honorable Richard H. Austin, Michigan Secretary of State, will address the concerned citizens of Crawford County at a luncheon meeting on Friday, September 27, 1985, at 12:00 noon, at Chief Shoppenagons Motor Hotel (103 Michigan Avenue).

After a short address there will be an open discussion with an emphasis on the New Seat Belt Law in Michigan.

For more information concerning this meeting, please call the Grayling Regional Chamber of Commerce at 517/348-2921 or 348-7315.

Distribute Surplus Food Sept. 24

Surplus food to be distributed Sept. 24 from 10 a.m. to 3 p.m. at the Eagles.

The commodities are to be given to low income persons.

To receive commodities a person must present a certification card or a verification of income. Those presenting verification of income will receive certification cards and cheese at the distribution site, if the income falls within federally established poverty guidelines.

Please do not call the Eagles for information. Call 348-5852.

Big-Name Army Band Joins GHS Band for Friday's Football Game

The 74th Army Band from Fort Benjamin Harrison, Indiana, will join the Grayling High School band to perform at the Grayling-Petoskey football game here Friday night.

The 74th Army Band, which has played at the Indianapolis 500 and the Olympic Trials, will join the 37-member GHS band for a pre-game show starting at 7:15 p.m. The GHS band is directed by Dennis Ormsbee, the new band instructor for the Crawford AuSable School District. The 74th Army Band is directed by Chief Warrant Officer Russell McConnell, who has more than 30 years experience as a professional musician.

The 74th Army Band will perform a half-time show at the Michigan Huron Shores Conference game Friday.

To Organize Band Booster's Club

On Monday, Sept. 23, at 7:30 p.m. there will be an organizational meeting of the Grayling Band Booster's Club at the Grayling High School band room. All people interested in supporting the band program are invited.

Stratford Trip Planned Oct. 4th

The Grayling High School Advanced Studies Program is sponsoring its third annual Stratford Festival Trip on Friday, October 4, to see William Shakespeare's "Twelfth Night."

Some spots are still available, and community members are welcome to join the group. Cost is \$30.00 for the play ticket and the bus ride (Le Coache Tours). Call GHS instructor Nancy Lemmen 348-7641 days, 348-9284 evenings for reservations.

The Stratford Festival Theatre is located in Stratford, Ontario, Canada, and is considered one of the greatest professional repertory theatres in North America.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 18 Sept. 85 thru 25 Sept. 85.

Firing will be in the following areas on the dates and times as indicated.

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 a.m. 21 Sept 85 and cease at 5:00 p.m. 22 Sept. 85.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 8:00 a.m. Daily 18 Sept. 85 and cease at 5:00 p.m. Daily 25 Sept. 85.

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

LOVELLS TORNADO DAMAGE — Carl Gierman and an insurance adjuster check out the damage to Gierman's roof after a tornado knocked hundreds of trees down along Bald Hill Road south of Lovells. Carl and Karen Gierman, of Attica, were not at their Bald Hill Road house during the storm and only one tree fell directly on the house.

A neighbor told the Giermans he heard the roar of the tornado shortly after 8 p.m. Saturday, Sept. 7th. Although mostly aspen trees are shown in the photograph, oaks, red pines, and jack pines were also pulled out by their roots or snapped in half. (Jon Thompson Photo)

GMS Renovation Starts Next Year

Renovation of the Grayling Middle School gym and construction of an addition to the Grayling Middle School will probably begin at the end of this winter, when the weather breaks.

Renovation of the middle school, construction at the Grayling Elementary School, and playground work at both the Frederic and Grayling Elementary will probably begin in June when classes end.

Kent Reynolds, Crawford AuSable Superintendent, said there is a good possibility the six classrooms added at the Grayling Elementary will be ready for students by September, 1986.

If the Grayling Elementary extra classrooms are ready by September, then sixth graders will likely be housed at the Grayling Elementary for the first semester of

1986 while the middle school is renovated.

The eighth graders will likely be placed in the Grayling High School during the first semester while the middle school is renovated.

The seventh grade, consisting of about 85 students (the smallest class in the district) could possibly use four classrooms in local churches.

Reynolds said it's possible students could be back in middle school classrooms by January, 1987, with most of the areas finished.

He said as soon as construction dates are set, parents will be informed. Parents will probably know by spring where students will be housed the next year, and the school district can inform parents during the summer of any changes.

Reynolds said the school district also could use the middle school gym or part of the addition to hold classes if needed during renovation.

A complete list of the project elements follows:

Middle School Project

I. Middle School Building Renovation - 50,280 sq. ft.

A. New boiler and hot water heating system (present boiler is 30 yrs. old)

B. New electrical system

C. Change floor systems to metal bar joists with perforated steel deck and lightweight concrete.

D. Building exterior - 1. Tuck pointing and reglazing of old brick. 2. Gym tied in with look of existing building.

E. Replace window space with insulated glass and/or panels.

F. Lowered ceilings, new lighting, carpet-

ed floors and new wall surface with insulation.

G. New interior casework.

H. New stairwells on the east, replace south, north and west stairs with steel.

I. Elevator or lift (must provide according to code).

J. Complete new roof - strip and start over with membrane roof tied into exterior.

K. Space utilization - 1. 27 classrooms; Five 5th grade self contained, 3 math classrooms, 3 social science classrooms, 5 english/reading classrooms, 2 science labs and 1 science classroom, 1 language lab, 1 computer lab, 2 special education rooms (small), 1 remedial reading/math classroom, 3 general classrooms. 2. Art room, shop and home economics room. 3. Administrative and counseling offices. 4. Library. 5. Appropriate storage and bathrooms.

L. Site Development - 1. Hard surface in

See Renovation Page 13

COOR Board to Decide Land Transfer Request

The C.O.O.R. Intermediate School District Board of Education will rule on a land transfer request involving Crawford AuSable and the Gerrish-Higgins school districts.

Four students are involved currently in a request to transfer the entire section 22 in Beaver Creek Township from the Crawford AuSable district to Gerrish-Higgins.

The entire section has state equalized values at about \$136,000 and currently brings in \$3,400 in revenue for Crawford AuSable.

The section is located on the east side of Johnson Road. The east side of Johnson Road except for this section is in the Gerrish-Higgins district. The west side of the road is in Crawford AuSable.

Crawford AuSable Superintendent Kent Reynolds said there are a whole lot of lines not straight in area school districts and it would be impossible to straighten everything out.

The request started from a family who moved into the section this summer. The children had attended Gerrish-Higgins schools for the last five years and the family thought section 22 was included in the Gerrish-Higgins district.

The Crawford AuSable board expressed

sympathy for the family but went on record as opposing a transfer because it opened the door for a series of transfers that could hurt either district.

The COOR board will rule on the transfer at their October meeting.

In other school board news from their regular meeting Monday, Sept. 16, school officials reported the GHS roof will be repaired at no cost to the district. The roof over the gym leaked during the recent heavy rains and a ten-year guarantee on the new roof will take care of all repairs. A representative of the roof material manufacturer flew in from New York to examine the structure and found a mistake in the installation.

The school board voted to hold a special election Tuesday, November 5, as directed by the Kirtland Community College Board of Trustees, for the purpose of asking voters to raise the millage for the community college from 1 mill to 1½ mills.

Although by law, the local school district must call for the election for the community college, there is no cost for the election to local districts. Kirtland Community College will pay for the election. The Avalanche will take a more detailed look at the Kirtland Community College request for additional millage in the next issue.

Fish Hatchery Ends Year At 38,000 Visitor Mark

The Grayling Fish Hatchery, which closed for the season Sunday, drew 38,000 visitors this year and finished with finances in the black.

The hatchery was open 30 less days this year but almost drew as many as last year's record number of 38,711. In 1984, the tourist attraction opened during Trout Opening Weekend. In 1985, the hatchery opened for Memorial weekend.

This is the third year the community-operated hatchery has been opened and the third year it finished with money left over.

Finishing in the black this year was significant, said Bobby Smock, chairman of the Fish Hatchery Committee, because there were no subsidies as in the past. Last year the hatchery received a \$12,000 Private Industry Council grant for hiring employees.

Most of the hatchery's income comes from donations from the community, donations at the gate, and the sale of fish food to visitors.

Entry to the hatchery is free.

"Through the efforts of a very dedicated staff and volunteers from the RSVP pro-

gram, we were able to come out ahead again this year," Smock told Crawford County commissioners at their regular meeting Sept. 10. "Howard Hatfield, in my opinion, did another remarkable job," said Smock. "He works seven days a week without fail."

Commissioner Jeannette Kitchen commended all the people involved with the hatchery for a great job and commissioner Bud Joyce said the whole operation was very well organized.

This year Smock said the hatchery coordinated with a Camp Nokomis work crew on cleaning the AuSable from Grayling to Burton's. Jolly Redskin donated use of canoes and the crew picked up 21 bags of garbage just on one trip from Grayling to the I-75 bridge.

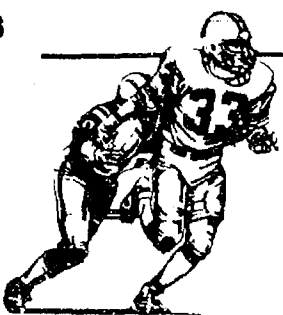

The hatchery had more fish this year — 27,000 trout. Most of the trout are leased from Flowing Wells or Cedarbrook. The hatchery does own some large trout that will be kept through the winter at a trout farm.

No serious vandalism was reported at the hatchery this year and wild birds were the only ones who managed to sneak away with any fish.

From Our Corner...

We're sitting here Sunday afternoon being envious, and along with that, feeling sorry for ourself...we attended the retirement party for Col. Ivan Gwilt last Friday evening at the officers club at Camp Grayling, and then Saturday morning I received a phone call from Della Simpson inviting Thelma and I over to the Legion Sunday afternoon to help her son-in-law Bob LaChappelle celebrate his retirement...

Being envious is the fact I have to wait a whole year before I can get out of the rat race...now these chaps are younger than the ol' fella, and I feel sorry for myself because I have to stay on the active list of 9 to 5, 8 to 6 or 7 to 7, or whatever time it takes to get our job done...

For those who may not know Bob, he grew up in Grayling and he and his wife Edwina attended Grayling High, but, now for quite a few years they have lived in St. Johns, down near Lansing...

Envious or not, we do wish Ivan and Bob, many happy years in retirement...

Now comes the clincher...when we arrived home Friday afternoon to get ready to go to Ivan's retirement, our bride announced that she had decided to retire either in January or February...we had talked about it but, I figured she would stay until next July to finish out 20 years at M.A.T.E.S. I did tell her I would get her a pin that had 19 and a half on it and no one would know the difference...

What really concerns me most is when she is around the house all day, will that give her more time to find more junk to put in my den...there are few garage sales or other kind of junk sales that she misses now, what will happen with all that free time she will have?...

Speaking of the den, I did take a peek in Sunday morning just to renew acquaintances and you know, there wasn't a box that had been moved for about three weeks...I don't have to worry about anyone getting into my desk, no one could find it...it is in the vicinity of the davenport, if you can find that...

Another thing our bride mentioned Friday was that if she retired in January or February we could take a longer vacation and go see our Buckeye family and Nevada family...I guess she forgot that the ol' fella would be still working...or maybe, she plans on going by herself...

A while back I had mentioned to her if you decide to retire before next July, do it before winter arrives...our reasoning was I wouldn't have to get out at six-thirty in below zero temperatures and snow up above our knees to warm up her car so she can go to work...I figured that wasn't too much to ask but, evidently she's thinking I've toiled all those years, you can suffer one more winter...so-be-it...

An idle thought...it was refreshing to read last Wednesday morning that the school proposal had passed, and now the board of education can get on with the task of renovating the middle school and the other projects that were wrapped in the millage vote, such as the new roof on the elementary school...

Maybe some day a new way for financing the schools besides taxes will come along...but, until it does there is no escaping the taxpayers paying the shot for education...

We are sure the renovation of the middle school will help the many students that will pass through its doors...the atmosphere in which they are learning will be paid back two-fold...

Speaking of learning, we read Andy Rooney's syndicated column in the Bay City Times this morning about his trying to buy a new typewriter...he claimed he ran into an electronic one that would spell words that you don't know how...if I knew how to get in touch with Andy I would...I'm sure I have gone through two pocket size dictionaries in the past 20 years...

An almost forgot thought...happy S.S. birthday to our bride, Wednesday, the 18th...

With that, we bid T.J., Stefany and Amber goodnight...we are starting to get lonesome from not seeing the gals...to anyone else that comes in contact with our corner, do have a nice weekend...there is a bit of fall in the air...

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVANCE OF 23 YEARS AGO

23 Years Ago September 20, 1962

Mr. and Mrs. William Horn returned to their home in Saginaw after spending a week visiting their daughter and family, the Don Janssens.

Miss Linda L. Smock, became the bride of Charles E. Mires, II, at a candlelight service at 7:30 in the evening at St. Francis' Episcopal Church on Saturday, September 15th, the first marriage to be performed in the church. Linda is the daughter of Mr. and Mrs. Donald E. Smock, and Charles is the son of Mr. and Mrs. Nelson W. Mires of Port Huron. The Rev. Colin Campbell performed the doubling ceremony in a setting of white Glads and Chrysanthemums.

Mr. and Mrs. Morden Post and children left Thursday for White Lake and WaWa, Canada, to fish the White River. It was so cold the fish just didn't bite. They returned Sunday.

The Canfield family had a birthday party on Saturday for Harry and presented him with a car radio for his gift.

Mrs. Ruth Caid and Eddie Harwood accompanied Mrs. Vila Stillwagon to Flint for the weekend.

Michigan State University graduated 1,242 students at the end of the summer quarter. It was the largest summer class topping last summer's record 1,096. Among the graduates was Donald F. Roberts, son of Mr. and Mrs. Clarence Roberts of Grayling. He received a B.S. in engineering. Don went from the University to a position with a Massachusetts firm which builds pumps for atomic subs.

Word has been received from Mr. and Mrs. A.J. Nelson and his sisters Margarethe and Olga, who are driving west, that they had been able to make about 500 miles a day, until they got to Browning, Montana, where they had been through a bad snowstorm, as bad as any Michigan gets in January, so that they were able to get only 175 miles that day. The area is near the entrance to Glacier National Park, in the Rockies.

Mr. and Mrs. Todd Brackett and son Timothy of Pontiac visited his aunt and uncle, Mr. and Mrs. Earl Burns, the past weekend.

46 Years Ago September 21, 1939

Mr. and Mrs. Wilfred Langlois (Marie Schmidt) of Detroit spent the weekend visiting the latter's parents, Mr. and Mrs. Holger Schmidt.

Mr. and Mrs. Carl Sorenson enjoyed having Mr. and Mrs. Roy Gustaffson of Detroit, as guests a few days last week. Mrs. Gustaffson will be remembered as Ethel Ayers, a former Grayling girl.

Mr. and Mrs. Matt Bidvia are enjoying a week's vacation visiting in Detroit.

Mr. and Mrs. Francis Brady of Lansing were guests of the former's parents, Mr. and Mrs. John Brady, over the weekend.

Ray Owen and nephew Ray Warner of Detroit were weekend guests of the former's sister and husband, Mr. and Mrs. Holger Schmidt.

Marjorie Niederer, daughter of Mr. and Mrs. Fred Niederer, is taking a post-graduate course at the Traverse City High School this

year, taking subjects to prepare herself for a course in nursing.

Francis Peter Decker, Jr. is the name of the little son born to Mr. and Mrs. Frank Decker on Sunday, Sept. 17, at Mercy Hospital.

Mr. and Mrs. Walter Korhonen (Leila Gierke) are proud parents of a daughter born to them on Wednesday.

Jack McClain is planning to attend Cleary College at Ypsilanti this fall, and Emil Tahvonen of course is attending Bay City Business College. Edward Martin has enrolled at Central State Teachers College, Mt. Pleasant, for the school year.

It is with much regret that we learned too late that George H. Maurer, the first editor of the Avalanche, was in our city over the weekend. We would have liked to visit with him. He is 82 years of age and resides at Linden. In company with S.C. Brown of Salt River (we don't know where that is) he established the Crawford Avalanche, in 1878. Mr. Maurer had formerly been connected with the Isabella Enterprise at Mt. Pleasant. He left Grayling in 1884 and has since that time been principally engaged in the insurance business. At the present time he is retired. He is an uncle of our fellow townsman, J.L. Martin, at whose home he was entertained in Grayling.

69 Years Ago September 21, 1916

Mrs. A. Lang of New Orleans is visiting Mrs. Celia Granger.

Mr. and Mrs. Frank Getz of Brown City were guests over Sunday of their son and family, A.M. Lewis. Mrs. Getz is remaining this week.

L.J. Krause and wife returned home Saturday from a two week's auto trip thru southeastern Michigan. They drove their Oakland over 1,000 miles.

A daughter was born to Mr. and Mrs. Herluf Sorenson Wednesday.

A new Ford auto belonging to William Millikin of Beaver Creek turned turtle when turning around on the Portage Lake road Wednesday slightly damaging the car.

Miss Margaret Joseph returned Saturday to resume her studies at Milwaukee. She was accompanied by her brother Louie, who will spend a week there before leaving for the U. of M., Ann Arbor.

Carl Smith, son of W.C. Smith, the Michigan Central flagman, was united in marriage to Miss Hazel I. Bunker of Wolverine, Monday of this week, at the home of the groom's parents, Rev. C.M. Smith, an uncle of the groom, performed the ceremony. The happy couple will make their home in Grayling.

Miss Helen Bauman returned Friday to Auburndale, Mass., to resume her studies at the Lasell Seminar.

Miss Clara Nelson will leave on Friday for Ypsilanti to enter the Normal School to take a primary teacher's course.

Paul Feldhauser has been pushing the plow for several days and is now getting ready for fall crops.

Talk about amition: Ruth Edmonds walks seven miles each day to attend the High School.

Productive Time

Managers report they are most productive before or after the usual business day.

The Bible Speaks

From Calvary Baptist Church

SOUTH AFRICA A DILEMMA?

The civil strife in South Africa is creating much discussion and response from around the world. Since it is clear that the government of the United States is becoming involved in the internal affairs of another sovereign nation, we should be considering what the consequences of our action will bring. Many people in both the news media and government are stressing the evil of apartheid as our primary problem to help solve. Is the greatest evil in South Africa really racism?

Since communism is involved in creating the present insurrection, the evil of communism should be considered and compared with the evil of apartheid. If we bring sanctions against the South African government and cause it to fall to communism, will we have helped or hurt the situation? Will the black Africans under apartheid be better off than the millions of starving blacks under communism? Why is racism being considered a greater threat to civil rights than other more severe violations under communism?

Is America responding with a guilty conscience over our own past treatment of blacks? Slavery was a primary cause of our own civil war. As President Lincoln said, "Without slavery the rebellion could never have existed; without slavery it could not continue." Yet Lincoln had the wisdom to fight against the greater evil. "Much as I hate slavery, I would consent to the extension of it rather than see the union dissolved, just as I would consent to any great evil to avoid a greater one." (Speech at Peoria, Illinois on October 16, 1854).

While apartheid is evil because it violates the rights of blacks, communism is more evil because it violates the rights of all citizens. To the communist, socialist or humanist, apartheid is a

greater evil because it violates their higher goals of globalism. To them a one world race, religion, economy, and government are the highest of human goals. They are preparing the world order for the coming of antichrist.

To the Bible Christian, apartheid is wrong, but we believe God made all races and the differences need not be altered into one race. Black, brown, yellow, red, and white are all beautiful. Capitalism is an economic system of free men taught in the Bible. Nationalism and patriotism are biblically proper for the Christian. (Acts 17:26). The Bible teaches us that life, liberty, and property are God given rights which one cannot surrender to another by force. God gave the individual, family, and government the responsibility and right to defend these rights at any cost.

From American history, Lincoln reminded the people that the North could not have won the Civil War without the military help of free blacks. So also, we need to encourage the government of South Africa to win the confidence and support of more blacks through liberty and education. Liberty by positive steps to end apartheid. Education to inform them of the communist alternatives. The complex problem desperately needs our prayers.

HOLY SPIRIT who make me see everything and showed me the way to reach my ideal. You who gave me the divine gift to forgive and forget the wrong that is done to me and you who are in all instances of my life with me. I in this short dialogue want to thank you for everything and confirm once more that I never want to be separated from you no matter how great the material desire may be. I want to be with you and my loved ones to your perpetual glory. Amen. Thank you for your love towards me and my loved ones. Persons must pray the prayer 3 consecutive days without asking your wish. After 3rd day wish will be granted no matter how difficult it may be. Then promise to publish this dialogue as soon as this favor is granted. F.R.N. -19-

Resource

Review

Bruce Patrick
Conservation Officer

Twice this summer I have had the opportunity to sit in on meetings of the Michigan Natural Resources Commission (NRC), the appointed body which oversees the operations of the Dept. of Natural Resources. On both occasions I was awed by the various and sundry topics brought before them: the "normal" concerns such as hunting, trapping and fishing are joined, and in some cases, overshadowed by such things as landfills, air pollution, water quality, land acquisition, access sites, land use, drilling, dams, internal departmental concerns and just about anything else you can dream up.

Special concerns also arise from time to time: elk hunting, no-kill regulations, and dove hunting are a few of the recent controversial items. Each of these subjects have advocates and opponents who wish to make their view known to the Commission. Correspondence, telephone communications and public appearances are utilized by these concerned citizens to make their ideas known. In fact, one afternoon from each monthly session is set aside for public comment.

Few public bodies affect as many people as the NRC, fewer still have such wide ranging responsibilities and probably none other is as difficult to sit on. I would urge you to attend a meeting some time.

Moose News

We will be celebrating our 73rd Anniversary on September 28th. We will be having a pot luck dinner. Everyone is asked to bring a dish to pass, the lodge will provide the meat.

The dinner will start at 6:00 p.m. At 9:00 p.m. we will be having music provided by the "Black Velvet" band. It promises to be a fun evening for all and we hope you will all come down and help us celebrate this happy occasion.

Our next regular meeting will be on September 18th at 8 p.m.

Grayling Promotional Association

For the second year the Grayling Promotional Association is sponsoring an effort to decorate our town for fall. Last year our efforts were so successful that we received many compliments from tourists as well as local citizens concerning how nice Grayling looked with all the fall decorations.

To help you - help us - have another successful season - we are contacting you now so the entire business community will be decorated by September 27th - the real start of the fall color tours. In addition, this will be just in time for the Timberliner (train) scheduled to stop in Grayling with close to 500 passengers on Saturday, October 5th.

Also - GPA is looking forward to Christmas and a repeat of our campaign to have every building and business decorated with the "little white lights" that made Grayling such a Holiday picture last year. If you joined us last year you already have your lights, if not they are available at cost at both Mac's Drugs and the Grayling True Value Hardware. But, order now.

Won't you join us in making both of these promotions successful. Working together we can make Grayling the most beautiful, talked about, shopped in place in the north.

GPA is planning to "light up Grayling" on Friday, November 29th. That evening at 6 p.m. Santa will arrive in town. There will be carols to sing, gifts for the children, and the lights will be turned on to signify the beginning of the Holiday Season.

Join us!! For more information - contact any GPA member.

Uniforms!
Uniforms!

Do you have outgrown Brownie or Junior Girl Scout uniforms at your house? Do you need a bigger size or a junior uniform for your scout? If you answered yes to either question contact Sue Louchart at 103 Vilas St., or call 348-8117 after 12:30. You can leave uniforms at her house to be passed on to another scout or price it. Uniforms on hand are junior sizes 7, 8, 12, 14 and Brownie size 7's.

Girls will be able to wear their uniforms selling cookies during fall sales. Please help each girl have a uniform to wear for cookie sales in October.

You Are Special

Somewhere near you a young girl wants to be a Girl Scout. Maybe it's your daughter or younger sister, or the girl next door, you know that girl scouting can offer her much that is valuable and good, and can help her grow to a rich and full adulthood.

When a girl wants to be a girl scout it's not as simple as registering her in a troop. A troop never just happens. Girl Scouting is only as good as the community & family backing it receives.

There are girls who need leaders who are registered so they can sell cookies, but they need adult leadership. Please contact Jackie Parker, S.U.D. at 348-8705 or Dixie Lobsinger, Troop Organizer at 348-9178.

Walter Blanks, 80
Dies in Trenton

Walter S. Blanks, summer resident of Lake Margrethe for over 40 years, retired pharmacist from Trenton, Mich., died Thursday, Sept. 5, 1985, in Trenton. He was 80.

Mr. Blanks is survived by his wife, Hazel, a son, 2 daughters, and 6 grandchildren.

Rev. Colin Campbell
Dies in California

The Rev. Colin Campbell Jr., former rector of St. Mark's Episcopal Church, Palo Alto, died Tuesday night at his Palo Alto home of lung cancer. He was 54.

Mr. Campbell had resigned in December after nearly 13 years as rector of St. Mark's. His death came less than a week before the installation next Monday evening of his successor, the Rev. Joe Morris Doss, formerly of New Orleans, La.

After leaving St. Mark's, Mr. Campbell began a new ministry called Renewed Prodigals Inc., a spiritual counseling service for people with alcohol and drug dependencies. A recovering alcoholic, he had told parishioners of his own alcoholism years ago, and received the congregation's support in confronting it.

Born in Detroit, Mich., he grew up in nearby Birmingham. He played football at Washington & Lee University, Lexington, Va., then took his B.A. degree in English and history at Wayne State University, Detroit. He next attended Virginia Theological Seminary, graduating in 1957. He was ordained as a priest in 1958.

After serving as vicar of two small missions in Northern Michigan, St. Andrew's, Gaylord, and St. Francis, Grayling, he went in 1963 to St. Clare's in Ann Arbor, Mich., as vicar. During his tenure it was made a parish, and he became rector. He was called to Palo Alto in 1972.

Mr. Campbell leaves his wife of 28 years, Mary-Nelson; a brother, John Campbell of Birmingham; two nieces and two nephews.

The family has asked that memorial contributions go to All Souls Memorial Garden, St. Mark's Episcopal Church 600 Colorado Ave., Palo Alto 94306, or Henry Ohloff House, 601 Steiner St., San Francisco 94117.

PUBLIC ANNOUNCEMENT

PARENT INTERVIEW

Parents of handicapped students within the C.O.O.R. Intermediate School District are invited to attend a parent interview with the monitoring team from the Michigan Department of Education, Special Education Services. The meeting is being held as part of the State on-site review process being conducted on October 8, 1985 at 7:30 p.m. at the C.O.O.R. Intermediate School District Conference Room.

This meeting will be conducted as a group interview. In addition to this interview, the State team will monitor approximately two days in the intermediate and local districts. The team will review files and visit special education classrooms and programs in order to determine to what degree special education rules and regulations are implemented.

We encourage you to attend this meeting. The meeting will be held on Tuesday, October 8, 1985 at the C.O.O.R. Conference Room. The location of this building is 11051 N. Cut Rd., Roscommon, MI. Further information can be obtained by calling Mr. Lowell Plaughter, Director of Special Education at (517) 275-5137.

Almanack

Students Rally Round the Flag

by Richard Milliman

HATS SHOULD go off to a group of Detroit high school students who rallied around the American flag in a recent rhubarb involving the flag as a background for school identification cards.

According to newspaper reports, it happened like this:

Detroit schools regularly issue identification cards for student and staff personnel for security reasons. Backgrounds for the photos are changed each year to reduce the use of stolen cards and forgeries.

This year Detroit's Southwestern High School chose the American flag, but decided to scrap the flag background when a foreign-born school employee objected.

A WOMAN WHO works as a paraprofessional in the school's bilingual education department refused to be photographed with the flag as a background.

"She said she wasn't born in America and she didn't want her picture taken with a flag," according to a quote in The Detroit News from Michael Cox, Southwestern High senior. "She didn't get angry, she just refused to be photographed."

So school officials dropped the flag as a background.

This didn't set too well with many of the students and faculty members. Students rounded up a petition with 340 student signatures urging the return of the flag to the identification cards.

"Personally I don't think there are more than three to five students in the school who would object to having the flag, regardless of their ethnic group," student Cox said.

"We are all American citizens."

HISTORY TEACHER Marshall Corby also objected, according to the News' story:

"I told my kids in class there was a time when we kidnapped people and brought them to this country as slaves," Corby said.

"But no one comes to the United States against his will anymore. I'm glad to be

here."

Southwestern High, where this rhubarb developed, is one of the most culturally mixed schools in the Detroit system.

Even so, it seems to me, anyone who is a resident of this country — citizen or not — and who draws a paycheck from one of its public institutions, such as a school, has no basis for objecting to displaying the American flag on an identification card. As the history teacher commented, nobody comes to the United States against his or her will anymore, and no one has to stay in this country if he or she doesn't like it.

THE STUDENTS who got up the petitions are to be congratulated for their interest and for their attempts to protect their country's image. That's a refreshing development, given the usual black eye high school students more often receive in the news media these days — especially high school students from the inner cities.

There is something to be said for maintaining ethnic heritage and ties to the country of birth.

But once here — as student Cox has said — we are all Americans. And we should act like it.

TAXPAYER BAXTER Eugene Biggs of Florida did something recently many of us have longed to do, but lack either the conviction or the gumption to carry out.

He wrote a nasty letter to the Internal Revenue Service.

According to the Wall Street Journal, Mr. Biggs wrote to the IRS objecting to IRS insistence that he file proper income tax returns:

"All of you have my deepest sympathy in that your path in life has led into the infamy of tax collecting, but I pray that God will deliver each of you just as Christ did for Mathew."

Regardless of the sentiments and New Testament references, the Tax Court upheld fraud penalties against Mr. Biggs — maybe for misspelling the name of the tax collector whom Jesus befriended and converted.

MAXI MUFFLER OPENS — Mark and David Swiercz, owners of the new Maxi Muffler shop in Grayling on 504 McClellan, cut a ribbon at a Grand Opening for the new business. The shop, managed by Rodney Lobsinger, features 10-minute oil changes, exhaust system repairs, brake repairs, shock absorbers replacements, tires, and batteries. The shop is open 8 a.m. to 5 p.m. Monday through Friday and 8 a.m. to 3 p.m. Saturday.

Alumni Association Honors Former Teacher Jack Trudgeon

Our Homecoming was another good evening. We were probably the smallest group we have ever had, but when you are scheduled on the busiest weekend in Grayling, with one of the worst storms of the season, there is no other way to go.

Ken Hoesli, '35, gave the Invocation as the group was called to dinner by our President, Bill Joseph. Our Honor Guest, Jack Trudgeon, was introduced by Director, Elmer Fenton, '29. Jack was in our school system for 28½ years in a multiple capacity. He was presented with his own personal paddle which will guarantee that he will never "be caught up river without one". Family with him were his wife, Aggie, daughters, Leesa Hodge and Toni Trudgeon. Thank you, Jack from all of us.

Clara Sorenson introduced Superintendent Kent Reynolds and his wife, Mary Ann. He spoke briefly to us about the proposed Middle School. (We all went through High School in that building) Kent has been very supportive of our Alumni Association and we will continue to support him. He came to us as High School Principal in 1972 and became our Superintendent in 1983.

President Joseph acted as MC as he recognized Anniversary Alumni as follows: 1925, Emma Hendrickson... 1930, Joe Kessler, Tressa Vallad Stephan... 1945, Michael Brady... 1950, Bill Kinkert... 1960, Jerry Larson, Gloria Stoddard King, Homer King... 1980, Toni Trudgeon.

Two classes recognized as Reunions, one- The Class of 1940... Ruth Sherbonda Vaern... Melvin Nielson... Virginia Peterson Martin... Gloria MacNeven Frymire... Ruth Burrows Moore... Esbern Olson... Mary J. Joseph Knibbs... Alfred Hoffman. With this Class of '40 was our oldest Alumna, Laura Failing Olson from the Class of 08. She did not complete her 12th year of High School, but came back to graduate with her son, Esbern. We salute you, Laura.

The Golden Class of '35 had the middle spot on the floor. Present were, Virginia Hartley Selesky... Arthur Corwin... Charles Corwin... Ken Hoesli... Sam Gust... Jean Peterson Gothro... Lois Parker Barnes... Clara Atkinson Sorenson... Don Charron... Beverly Schaible Kinkert... Elizabeth Kraus McCall... Roger Kneff had to leave before dinner. The class had a beautiful centerpiece of Sweetheart Roses and Baby's Breath, given to them by a former teacher, Evelyn Thieme Schmidt.

Each one took a rose for their own. 50 years is a "very short, long time" when these friends get together. Zelma Hiltz Heibeck was a guest of the class. Next to this table was a special family. They came from all directions to help their older brother celebrate his 50th. This was the Charron family. Don '35, Kermit '37, Virginia Hawkins '38, Kathryn Such '41, A.J. '46, Sister Rose Mary, graduated from Mount Mercy, Grand Rapids, Margaret Cherven, graduated from Our Lady of Mercy, Detroit. This is quite a family. All of us who know them well, remember how

they all worked every step of the way to get an education. We are proud of the Charron family. The youngest, Fabian is deceased.

A couple of other families were mentioned... Mary J. Joseph Knibbs and her brother, Bill Joseph. Three Peterson sisters, Jean Gothro, Beatrice Rowland, Virginia Martin.

Our turnout of G.H.S. teachers, active and retired, was great. The big reason we are Alumni is because of our teachers. We truly appreciate every one of them. Present with us were former Superintendent Joe Stripe and Faith Stripe, Elmer Fenton '29, Marie LaMotte Akers '38, Jack Trudgeon, Kent Reynolds, Jean Gothro '35, Toni Trudgeon, '80, Vella Herman Hill '22, Katherine Funk, Beatrice Rowland '38, Peg Milnes, Bill Kinkert '50, Mary Knibbs '40, Marilyn Joseph Stancil '67, Bruce Smith.

Every person present was special because we graduated from G.H.S., so we closed the program with our former School Song,

"Grayling Will Shine Tonight". She did...

Music for dancing was furnished by Tina Kennedy from Mio. It is hard to believe that so many people left when she played the best dancing music we have had in many years.

Here is something for your calendar... G.H.S. Alumni Homecoming date has been set for Saturday, September 27, 1986. We will move away from the Labor Day weekend.

Watch next week for those who came from out-of-town.

State Hopeful of Getting Improved Credit Rating

Warren M. Hoyt, Exec. Dir., MPA

Governor James Blanchard, who recently led a delegation of state officials in meetings with New York rating houses, said he is hopeful of getting an improved rating which he said would translate into a tax cut.

Both Moody's Investors Service and Standard and Poor's are reviewing material submitted by the state and other data before issuing ratings on \$350 million in short term notes the state intends to market this month.

Blanchard said if the agencies grant Michigan's request for the highest rating possible on the notes, total borrowing costs should be about \$17 million, or 50 percent, lower than the \$33.3 million the state paid to obtain a \$450 million note last year.

The annual borrowing is required to meet heavy school aid and other cash payments at the start of the fiscal year, October 1.

The Governor said he and Treasurer Robert Bowman discussed the state's stronger financial condition and reduced borrowing needs.

If the state gets the highest possible rating without outside credit support, Blanchard said it would "allow us to keep our financial recovery program on track and will translate into a tax cut for the people of Michigan."

He said the state is able to expand education, prison and road programs while bringing down income taxes and proposing property tax cuts because "we have straightened out our finances, paid off our debts, and improved our credit rating."

Michigan has not had a MIG I — the highest Moody's rating — without backing from outside sources since 1978. Last year's bank-backed borrowing cost \$31.5 million in interest and \$1.8 million in fees

to other banks.

Officials were also hopeful of getting the state's long-term bond rating improved from the A rating by Moody's (three steps below the A) and A-plus from Standard and Poor's.

KELLEY TO FILE SUIT FOR ILLEGAL DISPOSAL OF TOXIC WASTES

Attorney General Frank Kelley announced he has notified the former owners and operators of a site near Pontiac that has been used for illegal disposal of toxic wastes of an impending lawsuit.

The action involves a site located in Auburn Hills which was previously operated by the Great Lakes Container Corporation who had used the site for the reconditioning of metal drums.

Kelley said an intensive investigation by the Dept. of Natural Resources has revealed that more than 3,000 drums containing hazardous and toxic wastes were illegally buried at the site and that bulk liquid wastes were dumped into the ground, polluting soils, groundwaters and the Galloway Creek, a tributary of the Clinton River.

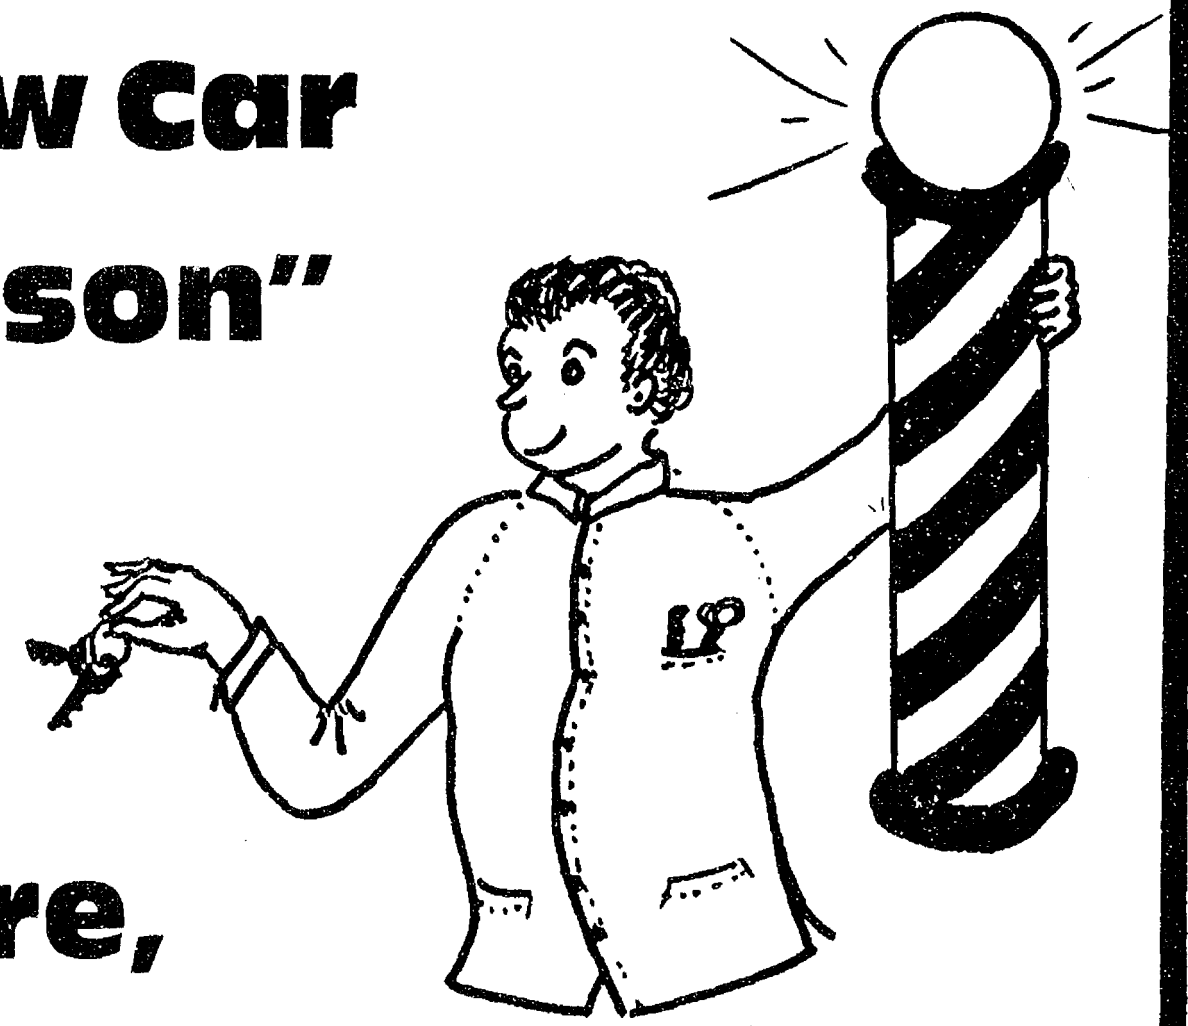

He noted the information indicated that the wastes were improperly buried and dumped at various times prior to September 26, 1984, when the present owner, Columbus Steel Drum Company, purchased the facility from Great Lakes.

The Attorney General issued a notice to Great Lakes that a civil lawsuit will be filed in federal district court within 60 days unless the parties agree to a full settlement of the state's claims. The notice was given in accordance with federal laws, including the Comprehensive Environmental Response, Compensation and Liability Act of 1980, the so-called Superfund law.

Commission on Aging

Tuesday Evening Program
September 24th - "Preparing Your Home for Winter". A representative of Consumers Power will be here to give you timely tips to put to use before winter settles in; bring your questions with you for answers from the experts.

The program immediately follows the 4:30 p.m. dinner. Please call 348-7123 for dinner reservations; the dinners are served at the COA office, 308 Lawndale Drive in Grayling. The public is welcome to attend.

Completes Navy Course

Navy Petty Officer 3rd Class Douglas Keipert, son of Thomas E. and Joanne F. Keipert of Roscommon, has completed the Basic Avionics ("aviation electronics") Technician Course.

During the self-paced course at the Naval Air Technical Training Center, Millington, Tenn., Keipert received instruction on the fundamentals of electronic circuitry and was introduced to the wide variety of electronic equipment items currently installed aboard Navy and Marine Corps Aircraft. He studied airborne radar, communication and computer equipment, along with the technical manuals, safety precautions and troubleshooting procedures used for maintaining each.

A 1984 graduate of Roscommon High School, he joined the Navy in December 1984.

BIRTHDAY GREETINGS — Albertha Longenecker, Grayling Health Care Center resident, (pictured above) receives Birthday Congratulations from President and Mrs. Reagan on her 96th Birthday. At age 96, Albertha is the center's oldest resident.

Gaylord Area Stroke Club Meeting

Date: Sept. 19, 1985
Place: Altan Zimmer Senior Citizen's Bldg., Grandview Blvd. Gaylord, MI.

Time: 1 p.m. Lunch at 12 Noon (optional)
Topic: Learning to become useful again.

Sponsored by: Northern Speech Services, Inc. Ph. 517/732-3866 & The American Heart Assn. (Otsego Co. Unit) Ph. 616/946-9524.

AARP To Meet

The Crawford County American Association of Retired Persons will hold the Sept. meeting on Monday the 23rd at 1:30 p.m. at the Commission on Aging office within the Grayling Housing Project at 308 Lawndale.

An interesting program is planned and refreshments will be served. Visitors are always welcome.

District Court

The following persons appeared in 83rd District Court before Judge Francis L. Walsh:

Michael Barker, 26, Trenton, plead guilty to a charge of unlawful use of marijuana and driving with a suspended license. He was fined \$205 or 30 days for the first charge plus \$105 or 10 days for the second charge. He was cited Aug. 16.

David Abeare, 26, of Grayling, demanded preliminary examination to two charges of malicious destruction of personal property of more than \$100. A \$2,500 personal bond was set for each charge.

Mark Klee, 28, of Grayling, plead guilty to a charge of reckless driving and was fined \$155 or 14 days. He was cited Aug. 2 by city police.

Virgil O'Rourke, 53, of Redford Twp., plead guilty to a charge of unlawful blood alcohol level - 2nd offense. He was fined \$505 or 60 days and his license is revoked. He was cited Nov. 16 by the sheriff dept.

Harry Argue, 20, of Grayling, plead guilty to a charge of entering without permission and was sentenced to 90 days in the county jail. Upon plea to the above charge, the prosecuting attorney moved to dismiss the original charge of breaking and entering an unoccupied building. He was cited Mar. 19 after a citizen complaint.

Dennis Ross, 25, of Grayling, plead guilty to a charge of receiving and concealing stolen property less than \$100. He was fined \$205 or 30 days. He was cited after a citizen complaint for the charge occurring on or after Oct. 28, 1983.

Jerry Webb, 38, of Elk Rapids, plead guilty to a charge of disorderly person - likely to endanger self and others. He was fined \$105 or 10 days. He was cited Aug. 30 by city police.

Virgil O'Rourke, 53, of Redford Twp., had a charge of felonious assault dismissed after pleading guilty to companion case.

DNR Conservation Officers Honored

Lansing — Department of Natural Resources (DNR) Conservation Officers (COs) will be honored in a special observance with a week of activities highlighting their dedication and commitment to enforcing Michigan's environmental laws.

Ronald O. Skoog, DNR Director, says that "Michigan Conservation Officer Awareness Week" — Sept. 22-28 — is a unique opportunity to acquaint all Michigan citizens with the many responsibilities, sacrifices and dangers that are involved with being a CO.

"This marks the first time in Michigan history that citizens of our State have joined together to honor these remarkable men and women," adds Skoog. "It gives us the chance to show our gratitude for the work they do throughout the year." He notes that despite long hours and hazardous working conditions, COs are enthusiastic about their jobs.

"Their job is a dangerous one. A study showed that COs are eight-times more likely to be the victim of a felonious assault in the line-of-duty than any other law enforcement officer. Many of the people that a CO confronts carry weapons," Skoog says.

DNR law enforcement officers have been on the job since 1887, when small groups of individuals donning mismatched uniforms were vested with the authority to protect game and fish laws in the Upper Peninsula and northern parts of the Lower Peninsula.

Today, COs are much more than game wardens and enforce all environmental laws throughout the State. Working with limited staff (144 field officers cover over 96,000 square miles in Michigan), it is not uncommon for an officer to put in well over 50 hours a week. They also conduct education and safety classes on outdoor recreational activities in schools and at public meetings.

Herbal Corner

How many of you have tried an herbal bath? I, for one, did not know how to prepare an herbal bath when I first heard of it. Here's how: Take a muslin cloth about 12 inches square — keep this cloth for all of your baths — and place all of your herbs in the center. Draw up the corners and tie. Be sure to leave the herbs loose in the cloth to allow for expansion of the herbs. This cloth will be placed in your tub of hot water for about 10-15 minutes to steep. Finish filling your tub then step in the water and relax.

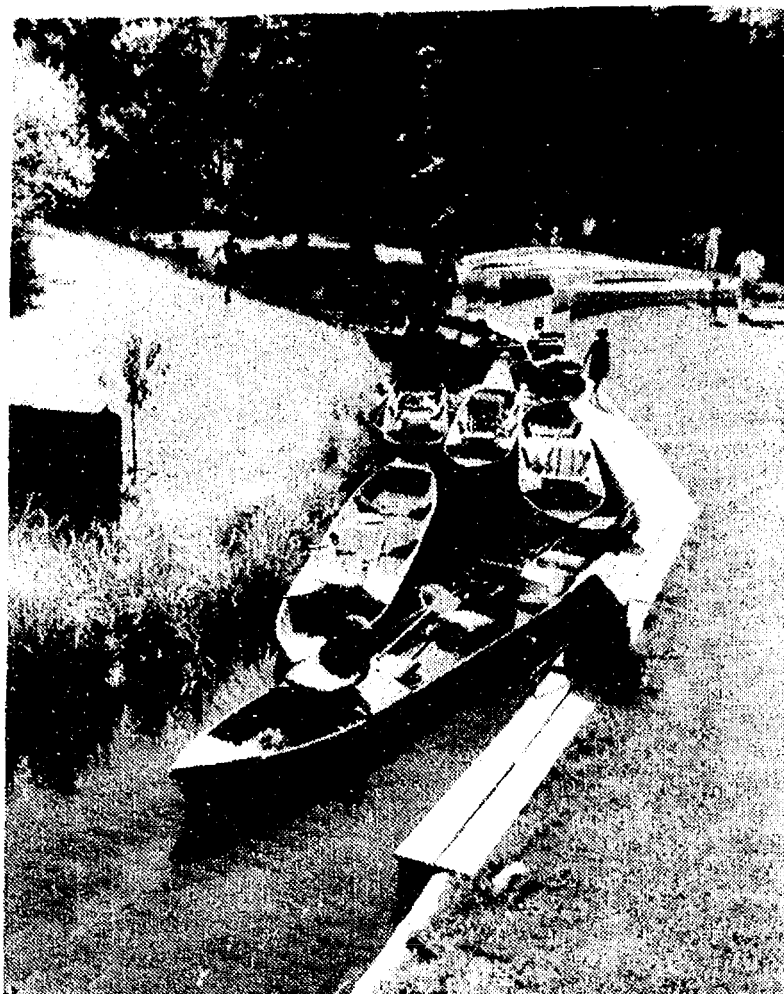

From Jeanne Rose's Herbal Body Book — a book I highly recommend — comes the following recipes: "Simple Bath - Lavender is wonderfully stimulating; House-leek is used for its healing powers; Peppermint containing menthol is cooling and aromatic; Yarrow is a potent astringent. A Muscle-Relaxing Bath — 2 oz. Sassafras bark, 1 oz. each of Burdock root, Mugwort, Agrimony, Comfrey leaf, and Sage. This bath is formulated to help relax sore, tired, and strained muscles and for muscular aches and pain." This bath sounds ideal after working on the woodpile. Use the herbal bags to scrub yourself with.

"Barley Bath to Cleanse and Soften the Skin - Mix together 1 lb. Barley, 4 lbs. Bran and 8 ozs. Borage flowers and leaves; boil them in a quantity of water until everything is soft and mushy. Strain the liquid into the tub, wrap the solid matter in cheesecloth. You needn't use soap with this bath; it is sufficient to scrub your skin with the Barley bag."

Some of these may sound off the wall; but as truth is sometimes stranger than fiction, try them out before you judge.

Next week, darlin', I will give recipes for healing baths — just maybe I can be persuaded to explain why they work.

Herbally yours,
E. Diona Cerelli, C.H.

Celebrate 50th Anniversary

At 4:00 p.m. on Saturday, August 31st, in honor of their 50th Wedding Anniversary, Gordon & Aileen Pond repeated their vows assisted by Rev. Jerry Mueller of St. John's Lutheran Church with their immediate family present.

Following a Champagne Toast they were entertained at a Buffet Reception held at the K. of C. Hall hosted by their children: Larry & Helen Pond, Jack & Cheryl Morley, Jerry & Candy Carver, and their five grandchildren.

They were married August 31, 1935, by the late Rev. Hans Juhl of the Danish Lutheran Church, Grayling.

The couple received "Best Wishes" from the White House, Washington, D.C., and Governor Blanchard, Lansing.

Out of town guests were from North Carolina, Florida, Idaho, Marquette, St. Ignace, South Lyon, Detroit, Crosswell, St. Clair Shores, Bloomfield Hills, Essexville, Bay City, Wyandotte, Center Line, Caro, Flint, Grand Blanc, Lincoln Park, Muskegon, Roscommon, Clio, Gaylord, Livonia, Johannesburg, Howell, Birmingham, and St. Clair, Mich.

Birdview Dealer
In Grayling

Satellite Systems of Grayling has been selected as an authorized dealership by Birdview Satellite Communications, Inc., a designer and manufacturer of satellite TV receiving systems. Birdview, a Kansas-based company, markets directly to over 1,000 dealers nationwide.

Birdview's multiple-receiver system is designed to allow each television set in a home to be tuned to separate channels simultaneously, all from one satellite antenna. Electronic synthesized tuning, stereo/audio reception, and a hand-held infrared remote control are additional features designed to further enhance the system's advanced multiple-receiver capabilities. An optional antenna drive control, uniquely engineered as an integral part of the system, lets the home owner move the antenna from satellite to satellite from the comfort of his home.

As an authorized retail sales outlet for the Birdview system, Satellite Systems of Grayling will also provide installation and service.

Statement of Nondiscrimination
September 9, 1985

Wolverine Power Supply Cooperative, Inc., P.O. Box 369, Boyne City, Michigan, 49712, has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules, Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color or national origin, or on the basis of handicap, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color, or national origin, or on the basis of handicap, in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in, any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C. 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

Film Series at
Free Methodist

A new film series featuring family expert James C. Dobson, Ph.D. will be shown at the Free Methodist Church on Sunday evenings, beginning Sept. 29, 6 p.m. Entitled "Focus on the Family," the series presents seven of Dobson's most popular presentations, all of which were filmed live at family life seminars. The series of films will conclude on Nov. 10.

James C. Dobson, Ph.D. is Associate Clinical Professor of Pediatrics at the University of Southern California School of Medicine.

He is a licensed psychologist in the State of California, a husband, father, and author of several best-selling books including: "Dare To Discipline" (over one million copies sold), "Hide Or Seek", "What Wives Wish Their Husbands Knew About Women", "The Strong-Willed Child", and his latest book entitled "Preparing For Adolescence." He also speaks on a radio series "Focus On The Family," which is syndicated to 134 stations.

Clean Heating
Systems
Before Lighting

The Grayling City and Township Fire Department remind all residents to check and clean their chimneys, furnaces and stoves before the heating season gets underway. During 1984 the Grayling Fire Department responded to 114 calls, of which 19 were chimney fires and 9 calls related to other home heating devices.

Here are some suggestions to help you avoid stove related and chimney fires:

- In general, stoves should be installed at least 3 feet from ordinary combustibles walls, ceilings and should be on a noncombustible base. Recommended clearance on single wall pipe is 3 times the diameter of the pipe.

- Follow the manufacturers instructions and building codes when installing.

- Use only a chimney approved for use with the fuel being burned.

- Don't connect a stove to a chimney burning other fuel such as gas or oil. Keep the chimney clean, free of creosote build up. Make sure the bricks and mortar are always in good condition otherwise, flames can penetrate crevices in the brick work and ignite wood construction. Make sure all flue connections are tightly sealed and in place.

- Never burn trash as a fuel; the fire could get out of hand.

- When bringing wood or coal indoors, store it at least 3 feet from the stove so it won't start to burn from radiant heat.

- During heating season, clean and check your chimney at least once a month.

Expanding Universe

The visible universe is expanding every second by a volume equal to that of the Milky Way galaxy, reports National Geographic.

28,027 PENNIES — Mr. and Mrs. Al Matkovich collected \$280.27 in pennies in this large glass jar over the last four years. Heidi Goss, Barb Barrows, and Marie Cason, from the Grayling State Bank, helped count the pennies with the assistance of machines at the main office of the Grayling State Bank in downtown Grayling.

Baroque and Beyond to

Appear Here Sunday

The Crawford County Arts
Council welcomes "Baroque
and Beyond" to Grayling
this Sunday, September 22,
at 3:00 p.m., at St. Francis
Episcopal Church (M-72
West).

The concert will be per-
formed by four professional
musicians from the Grand
Rapids Symphony Or-
chestra:

Scott Named Director of Fred Bear Museum

Gainesville, Fla. - Frank
Scott, veteran archery
historian, has been named to
the position of Director of the
Fred Bear Museum, accord-
ing to an announcement here
by Charles T. Smith, presi-
dent of Bear Archery.

Scott first joined Bear Ar-
chery in 1940 and next to
founder Fred Bear is Bear
Archery's longest tenure
employee with experience in
nearly all phases of market-
ing and production. For
many years a field sales-
man, Scott moved to Gray-
ling, Michigan in 1974 to run
the Fred Bear Museum and
the Fred Bear Sporting
Goods Marketing Institute.
Upon the company's move to
Florida in 1978 Scott con-
tinued to run the Museum in
Grayling until it was moved
to Gainesville in 1980. In 1982
he was named Director of
Marketing and in 1983
became Director of Dealer
and Consumer Affairs, a
position he will continue to
fill.

A life-long archer and bow-
hunter, Scott participated in
the First National Field
Archery Championship in
1946 and for the next 15 years
placed in the top ten shooters
at the National Champion-
ships.

In making the announce-
ment, Smith said: "Frank
Scott's long history with
Fred Bear and Bear Archery
suit him ideally to run the
day-to-day operations of our
Fred Bear Museum here at
our plant in Gainesville. His
storehouse of knowledge
about Mr. Bear and our
Company is unsurpassed
and we know he will do his
usual fine job as he assumes
this new challenge."

The Fred Bear Museum is
located on Fred Bear Drive
in the Bear Archery facility
just off I-75 in Gainesville,
Florida and is open daily
from 10 a.m. until 5 p.m.
seven days a week, except
Christmas.

Christopher Kantner, prin-
cipal flute with the Sym-
phony for nine years. A
graduate of the University of
Michigan and the State Uni-
versity of New York, Kan-
tner was a finalist in the 1978
Naumburg Competition.

Judy Kempf, third flute
with the Symphony. Kempf,
has her bachelor and master
degrees in music from the
University of Michigan and
was the piccolo fellowship
recipient from the Aspen-
Music Festival.

Bernice Mrozinski, the
harpisichordist, received her
bachelor and master
degrees cum laude from In-
diana University. The prin-
cipal pianist with the Sym-
phony since 1974, Mrozinski
has toured the Midwest,
Europe and U.S.S.R. as an
accompanist. Last fall, she
performed in Grayling with
the Midwest Trio for the Arts
Council.

Peter Spring worked with
the Dallas Symphony before
coming to Grand Rapids in
1975. Principal bass with the
Symphony, Spring has also
been affiliated with the In-
terlochen National Music
Camp as an instructor.

Tickets for "Baroque and
Beyond" are available at
Flowers by Josie and Main
Street Florals in Grayling.
Price is \$3.00 adults and \$2.00
students and senior citizens.
Adult price at the door is
\$4.00.

This event is sponsored in
part by a grant from the
Michigan Council for the
Arts.

Seventh Graders Will Be Taking Assessment Tests

The 7th grade students in
the Grayling Middle School
will be taking the Michigan
Assessment Test Program
on Sept. 24, 25 and 26 during
their Science class time.

Please try to schedule any
appointments for your child
around these times.

We would appreciate it too
if you could encourage your
child to do his or her best on
this important test. En-
courage them also to get a
good rest and to eat a good
breakfast, especially during
the testing period.

Mike Gardiner
Middle School Counselor

Men's Softball

The Men's Softball League
at Hanson Hills is finished
for this year.

In the playoff on Sept. 10,
Metzers and Budweiser split
a doubleheader. On Sept. 11,
the deciding game was played
with Metzers winning the
tournament. The final score
was: Metzers 7, Budweiser 6.

RE: Michigan Trout
Publication Vol. 5 No. 3
Sept. 1985

Dear Mr. Griffin;
In response to your head-
line article, "What Would
"Holy Water" No-Kill
Produce?" You certainly hit
the nail on the head when
you stated that the No-Kill
issue has been a hotly
debated question. What I
ascertained from your ar-
ticle is that the computer
model predicts a very sig-
nificant increase in Large
Trout per river mile under
the No-Kill, whereas the slot
limit will produce the
smaller number of Trout per
river mile. Your article also
states that the slot limit rule
was instituted experiem-
tally, "In hopes it would pro-
tect those mid-sized fish
reulting in a larger popula-
tion of larger trout." "In
fact, big-fish numbers drop-
ped."

I am not intending
criticism of your article as it
presented a very substantial
set of statistics. However,
your article interestingly
points out some factors I
would like to expound on.
The average sports minded
individual is not trained as a
Biologist or Statistician,
consequently he relies on
others for research/analy-
ses; this would seem the
proper avenue for the
average individual to follow.
I might add that until the
recent "No-Kill" proposals
few of us "Averages" ques-
tioned the bureaucracy of
policy making. Recent
developments have brought
to the sporting public's at-
tention, sadly, that our Natural
Resource Management ap-
pear to be guided by person-
nel who do not (inspire of
educational background)
have a great deal more ex-
perience than the public who
utilize the River Resources.
To substantiate my belief let
me analyze your article: The
Burton-Wakeley AuSable
River section at first was
designated as Quality Water
Flies only. Changing rules
limited the creel limits
regressively from 15/10/5,
also setting the size of legal
kill between 10-12, 16+ in-
ches, this proved unsatisfac-
tory as the Trout population
worsened drastically so the
slot limit was changed to 8-
12, 16+ which improved fish-
ing, but as you state
removed the number of
larger fish.

At about the same time the
that slot limits were in-
stituted other aspects were
presented as problems for
study and improvement. Ef-
fluent infiltrating the
AuSable from the City of
Grayling waste disposal and
Thermal Pollution have been
strongly pursued as
detrimental problems. The
City of Grayling spent thou-
sands of dollars renovating
the Sewage and Storm drain
systems. Construction of a
new Lagoon area eliminated
the City Sanitary system as
a source of nutrient infiltra-
tion. Now it is being dis-
cussed that due to the
removal of waste water
nutrients the insect life on
the river system has
diminished, creating a prob-
lem in the food chain, con-
tributing to growth factors in
the Fish Life.

Strong controversy be-
tween the Dept. of Natural
Resources and City Officials
developed over the proposed
removal of the I-75 Business
Loop Bridge/Dam which if
accomplished would have
drained and destroyed
waterfowl wildlife habitat.
As it presently stands the
Dam and backwaters re-
main, however, the argu-
ment upon which the D.N.R.
based their case was that the
Dam and its subsequent
backwaters were creating
Thermal Pollution which
was detrimental to the river
trout population. Now we
are being told that warmer
water temperatures favor
the Brown Trout habitat,
while Brook Trout thrive on
the cooler water conditions.
If, as previously explained,
the I-75 Dam is still holding
back the AuSable River flow,
it then seems reasonable to
assume that the Thermal
Pollution factor has not
lessened. Why then with
nothing changed are we ex-
periencing an increase
(happily I might say) in the
Brook Trout population?

Come on now, let's call a
spade for what it is. The
Dept. of Natural Resources
is being influenced by
Special Interest groups.
Fisheries Biologists are em-
ployees of the D.N.R., thus,
it is reasonably obvious that
the biological statistics favor
the predominant Special In-
terest desires.

When the No-Kill section of
the South Branch, AuSable
River was proposed it was
strongly opposed by various
groups including the local
George Mason Chapter of
Trout Unlimited as well as
the Michigan TU Council. As
I have been informed indi-
vidual TU members acting
against the Michigan Coun-
cil majority sought and were
successful in obtaining the
No-Kill ruling anyway. If
that is not Special Interest
influence I don't know what
else it can be called.

What would "Holy Water"
No-Kill Produce? I answer
prophetically. While statis-
tics may indicate larger
numbers of bigger trout it
will prove detrimental to the
popularity of the AuSable
Mainstream for the average
Sports Fishermen.

Look at the basics: From
the City of Grayling to Bur-
ton Field, primarily, the
river flows through private
or unaccessible terrain.
Below Wakeley Bridge again
the public access to the river
becomes minimal. Con-
sequently landowners will be
faced with increased tress-
pass problems. The D.N.R.
is virtually ineffectual in en-
forcement of the present
Quality Water rules and
regulations as they exist, let
alone being burdened with
additional problems. No, the
average Fisherman will not
be the benefactor of No-Kill.
But, you can bet we will be
the losers. When those in-
dividuals successfully obtain
the Special Interest they
desire they will not stop; first
the No-Kill then the
navigational aspect. Even-
tually if we Averages allow it
the AuSable will cease to be
a Public River and will
become an Elitist Domain.

Sincerely,
Peter W. Stephan

Sept. 11, 1985

Mr. Howard D. Madsen
Crawford Co. Avalanche
100 Michigan Ave.
Grayling, MI 49738

Dear Whitey,
I found it interesting to
read the article, "River,
Lake Associations Meet
Over National Guard, Oil
and Gas Well Problems".
The comments of Messrs.
Stoffa, Franklin, Pulgini,
and Palmer, however, are
rebutable as they were ap-
parently made in a vacuum.

Mr. Stoffa from Guthrie
Lake (Osego County) and
Mr. Pulgini from Lovells
must have known they were
purchasing property abut-
ting the Artillery and Air-to-
Ground Range. If Mr. Stoffa
of Guthrie Lake and Mr. Pul-
gini of Lovells purchased
their property without full
knowledge of the National
Guard's activities in the
area - "Buyer beware".
Camp Grayling has been
located in Crawford County
since the early 1900's.

Mr. Stoffa indicates that
there is going to be an
uprising in northern Michi-
gan and he wanted it to be a
constructive uprising. The
four gentlemen who sponsor-
ed the aforementioned ar-
ticle appear to be initiating
the uprising, but are they
initiating their dissent on
behalf of the majority of this
county? Are their attempts
to restrict the activities at
Camp Grayling actually the
consensus of the majority of
the citizens of Crawford
County or a sad commentary
on wishful thinking?

Mr. Stoffa's unfounded
comment, "right now
they're not training troops
properly and they don't have
any control over the troops
in the field", is ludicrous.
Whitey, does this man really
have the proper credentials
to present himself as a
military authority? I
seriously doubt it!

Mr. Pulgini claims the
military has outgrown the
area. Mr. Pulgini believes
that the equipment used
currently is bigger and
heavier, but he is wrong.
Fact: the equipment being
used today is no heavier than

the equipment used in the
early 1970's, and in some
cases it is lighter. Case in
point: the M55 8" Howitzer
retired about 1970 was
heavier than the M-110 8"
Howitzer used today. 8"
Howitzers have been fired at
Camp Grayling since 1959,
however the shell fired then
has not changed in weight
over the years even though
the weapon has been mod-
ified to enhance military
responsiveness.

Mr. Palmer says that mili-
tary should stay on their
property and not use the
county roads. If Mr. Palmer
would have researched the
facts he would have dis-
covered that Bald Hill Road
runs through land belonging
to the DNR and is designated
for use to the military by a
special use permit. Also, Mr.
Keir of the Crawford County
Road Commission would
have to readily admit, as he
did at the Crawford County
Township meeting in
January 1985, that the Road
Commission has no
authority to deny use of
county roads to the Military.

Mr. Franklin is evidently
new to this area as he in-
dicates that "shooting from
midnight to morning was a
bit too much." Since
when??? The military has
exercised this schedule since
I joined the Army National
Guard in 1953. How can you
train at night when it doesn't
become totally dark until af-
ter 10:00 P.M.? Sufficient
time to make troops combat-
ready, or as Mr. Stoffa says,
"productive", requires
much more than two hours of
darkness. The most success-
ful battles have been won at
night by troops that have
been "trained" to fight dur-
ing these hours. Peace and
preparedness dictate that
our military forces train
during hours of darkness —
can we afford less?

Whitey, as most of us
know, the U.S. has a big in-
vestment here, and efforts of
a disgruntled few to find
fault with Camp Grayling's
military activities in this
county should be dismissed.
Camp Grayling stands to
gain approximately \$10
million worth of construction
at the camp in the next year.
In the next ten years, expen-
ditures of an additional \$30 to
\$40 million are not unreason-
able to expect. Camp Gray-
ling has done much to stimu-
late the Grayling area, and
our country has too much in-
vested here to pick up and
move to some other area
(probably unavailable) to
satisfy a few narrow-minded
individuals.

In closing, I feel that
Messrs. Stoffa, Franklin, Pul-
gini and Palmer need to put
their prejudices aside and
come to grips with 20th cen-
tury reality. Camp Grayling
is here to stay. It's about
time someone said it and if
these gentlemen cannot
tolerate the military in this
area, maybe they should find
another area more to their
liking.

Sincerely,
Norman W. Schmooch
LTC, MI ARNG (Ret)

August 25, 1985

The Editor
The Crawford Co. Avalanche
Grayling, Mich.

Dear Sir:

As a summer resident and
property owner in Oscoda
County, I am concerned with
the conservation of those
natural resources which con-
tribute so much to the health
of the economy in these nor-
thern counties. Secondly, as
a fly fisherman, pledged for
over twenty years to the
release of trout, I am con-
cerned with the improve-
ment of that national trea-
sure which the AuSable
River represents. Thirdly,
as a Presbyterian minister, I
am concerned with what is
represented as biblical fact.
Thus it is that I write in
response to a recent column
in your newspaper (August
22, 1985) entitled, "The Bible
Speaks" in which the author
represented biblical teach-
ing as somehow inconsistent
with "no kill" regulations
which some of us hope to see
instituted on a small stretch
of the AuSable River.

It is often observed that
the Bible can be quoted for
the support of almost any
notion. While this is not en-
tirely true, those of us who
deal professionally as
preachers and teachers with
the Old and New Testament
scriptures need to be parti-

cularly careful in citing the
Bible in support of the po-
sitions which we take upon
various issues. In my
opinion, as a preacher and
seminary lecturer, the
recent column represented
something of a misuse of
scripture, as well as a lack of
acquaintance with well
established research about
"catch and release" regula-
tions for a trout stream.

I find no convincing evi-
dence in the New Testament
which would suggest that
fishing was the favorite ac-
tivity of certain of Jesus'
disciples or that fish might
have been the favorite food
of Jesus. While we might all
benefit from eating fish
rather than red meat, those
disciples of our Lord who
were fishermen were
engaged in it commercially
and may well have despised
both the catching and eating
of fish. It was something
they had to do for a living.

To quote such passages is
entirely irrelevant to ques-
tions of conservation as
these relate to sport fishing.
Commercial fishing is a very
different activity than sport
fishing and the Sea of Galilee
is quite a different piece of
fishing water than the
AuSable. In particular, that
ancient "holy water" has not
been subjected to the mer-
ciless traffic to which the
"holy water" of our local
river has been subjected for
many years. (I need not
remind you that the Town of
Grayling bears the name of a
magnificent fish which was
driven out of our waters
because of the uncontrolled
traffic of human greed.)

For an ancient document,
the Old Testament displays
an amazingly advanced con-
cept of conservation. The
fruit trees of enemy nations
are not to be destroyed in
battle (Deuteronomy 20:19),
beasts of burden, even those
of an enemy, are to be
treated with care (Exodus
23:5), and special laws pro-
tect even wildfowl (Deuter-
onomy 22:6, 7). God's pity
for the city of Nineveh is
based partly upon his com-
passion for the cattle of the
city (Jonah 4:11)!

It is out of this same
reverence for wildlife that
we seek "catch and release"
regulations. Fishery re-
search has demonstrated
that fish thrive in "no kill"
areas. Far from being tor-
tured, they grow large and
live to a ripe old age. It is
"meat fishing" which kills
fish! We are not seeking a
quarrel with those who like
to keep their catch. It is a
long established and accept-
able form of sport fishing.
Furthermore, we have no
desire to drive those who fish
for food off the river. We
seek only nine miles of top
quality fishing on the main-
stream. That leaves over 90
miles of river for those who
want to fish for food, and
most of that long stretch is
within 20 minutes of Gray-
ling.

Even without "no-kill"
regulations, the present
quality fishing section of the
AuSable is known as one of
the finest trout streams in the
world. It brings fly fisher-
men (and their money) to
this area from all over our
country. It is both a local and
a national treasure. A "catch
and release" regulation
would guarantee improve-
ment of this section of the
stream and the continuing
high reputation of the
AuSable.

Finally, the closing in-
ference of the article seems
to associate those of us who
fish for pleasure and not for
food with those who seek "to
hide the sins of sexual
pleasure" by abortion. I
cannot believe that the
author meant to establish
this kind of guilt by associa-
tion. It would certainly be a
cheap shot, inappropriate
for an author who purports
to tell us what the Bible
teaches. I hope that the
author did not mean to make
such an innuendo and that he
will clarify that point in his
next column.

Nursing Workshops Offered by CMU in Grayling

Mt. Pleasant - Two workshops designed to update nursing skills will be presented in Grayling by Nursing Staff Development of Hurley Medical Center and Continuing Education and Community Services at Central Michigan University.

Workshop 1, "Nursing Process/Diagnosis: Clinical Application," will be held Monday, Sept. 30, at the Holiday Inn, 2650 I-75 Business Loop. Registration begins at 8:30 a.m. and classes run from 9 a.m. to 4 p.m.

Workshop 2, "Care of the Oncology Patient Receiving Chemotherapy," will be held on Tuesday, Oct. 1, and Wednesday, Oct. 2, at the same time and location.

Faculty include nurses, pharmacists, and instructors from Hurley Medical Center. The program has approval from the Michigan Nurses Association.

Registration deadline is Sept. 18. For further information, please contact Sharon Horgan, CECS, Rowe 126, Central Michigan University, Mt. Pleasant, Mi. 48859, or call 517/774-3718.

Throwaways

The 264 million metric tons of toxic throwaways regulated by the federal Environmental Protection Agency in 1981 would fill the New Orleans Superdome almost 1,500 times over.

Doodles From The Tall Timber

By Wendell L. Hoover

A frequent comment or question that I hear is in reference to the absence of birds in the Tall Timber, and many people comment on the absence of animals also. There are several birds which nest in the canopy afforded by the tall Pines. The Barred and Horned Owls find in those tall trees just the sort of place they want in which to build their nest, the Evening Grosbeak nest in that canopy also. Other birds such as the Brown Creeper, White Breasted Nut Hatch, Chickadee and various woodpeckers including the Pileated, make their home or seek food in the Tall Timber. At this time of year with the process of nesting over the absence of birds in the Pines is obvious. If you want to see birds, it is necessary to be there in June with your binoculars in hand.

The deer only pass back and forth through the Tall Timber as there isn't enough cover and browse to keep them consistently in the area. This is a year of few pine cones, so the number and times we see any squirrels has been few. Here and there is evidence of a bear, but most visitors get rather apprehensive at the mention of a bear, so I usually keep that information to myself. All in all the Tall Timber is beautiful to look at, but it is a wildlife desert for at least part of the year.

Obstetrical Program at Mercy Hospital

New Brother/New Sister is a program offered by Mercy Hospital's Obstetrical Unit designed to involve children more in the arrival of a new brother or sister.

The first class will meet Sept. 24th at 7:00 at Mercy Hospital, Grayling.

The purpose of the program is to familiarize children with the hospital and what they can expect when they come to visit their mother after she has had the new baby. "The arrival of a new baby is a confusing and exciting time for a family and especially for children."

We hope this class will help a child with the wide variety of feelings and questions associated with this wonderful event," stated Ms. Kathryn Zelinsky, coordinator of the OB/Pediatric Unit at Mercy.

Ms. Zelinsky will talk to the children about what it will be like to have a new baby in the house, how to hold and help care for the baby. As a special treat, the children will have the opportunity to make a welcome home sign for the baby.

Children are encouraged to bring a favorite doll or stuffed animal for practice holding a baby. The class will meet for approximately 1 hour and is appropriate for children ages 2 to 10. Two and three year olds may be accompanied by an adult.

Classes are free to children of parents scheduled to deliver at Mercy Hospital. Parents delivering elsewhere may have their children attend for \$2, to cover materials. Please register by calling Mercy Hospital, 348-5461, ext. 320 or 321. This class will be offered monthly.

ALL GONE

Tom: "How did your girlfriend do with her new slimming diet?"

Tim: "OK, I guess...she disappeared last week."

AMERICAN LEGION AUXILIARY DONATES — Roselyn Johnson, American Legion Auxiliary veterans affairs chairperson, (back, right) and Sharon Ruby, Auxiliary president (back, middle) present a check for \$160 to Larry Bailey, WWII veteran, to pay for an electronic speaking device for him. Left, in back, is Arlene Musakka, social services worker at the Grayling Health Care Center, where Bailey stays. At far left is Al St. Germaine, and at right is Elin Verhoven, both GHCC residents.

Notice of Public Hearing on Increasing Property Taxes

The Board of Commissioners of the County of Crawford

Will hold a public hearing on a proposed increase of .34554 mills in the operating tax millage rate to be levied in 1985.

The hearing will be held on Thursday, September 26, 1985 at 2:00 o'clock in the p.m. at Crawford County Courthouse, Grayling, Mi.

If adopted, the proposed additional millage will increase operating revenues from ad valorem property taxes 4.67% over such revenues generated by levies permitted without holding a hearing.

The taxing unit publishing this notice, and identified below, has complete authority to establish the number of mills to be levied from within its authorized millage rate.

This notice is published by: County of Crawford, County Building, Grayling, MI 49738. Ph. 348-2841.

Grayling Woman Helps Bring 'Bach Alive' Concert Here

After attending a "Basically BACH" concert performed by the University of Michigan Chorale Group in April, Grayling musician and instructor Janet Dice remarked to her family and friends "If Flint can do it, so can Grayling." Most responded with a "stock answer" - it will never happen in Grayling.

Shortly after returning home from the Flint concert, which was funded by large corporate patrons as well as the Mott Foundation, Ms. Dice began the task of "Bringing BACH to Grayling." Throughout the spring and summer, organizational phone calls, planning, and meetings became the order

of the day.

With the Oct. 6 performance date rapidly approaching, ticket sales are brisk and the community interest has increased.

The increase is well founded as some of the finest talent in northern Michigan has been assembled for this performance. For the first part of the concert children will perform BACH's life; a Children's Choir will do a Christmas selection; an 11 year old girl will do a violin solo; Liturgical Dance will be done to "Concerto in F Minor," and the organ/piano duet selection is "Siciliano."

After a short intermission, the adults will perform. The Brass Ensemble will do a March & a Fugue; A female vocalist (accompanied by 2 oboes & piano) will do a piece from the St. Matthews Passion; the violin solo selection "Air on The G String" will be performed along with "Sarabande" and "Bourree" accomplished by a violin/cello/piano trio.

A flute solo ("Flute Sonata #4") and the Community Chorale (made up from many community churches)

doing "Jesu, Joy of Man's Desiring" and "O Lord, Our Lord, Your Works Are Glorious," will nearly complete the program.

In the BACH Finale every one of the concert performers (brass, string, woodwind, keyboard, & vocal) will do a BACH rendition jointly.

Ms. Dice said, "I can hardly wait for the concert. You ask, Why all the fuss? Well, we celebrate the 300th anniversary of the birth of Johann Sebastian Bach. He was a humble genius."

They said it would never happen, but through the determination, effort and organizational expertise of the United Methodist Church Music Committee and Ms. Dice, it will happen Oct. 6.

BACH, Alive in 85 will be in Grayling (Methodist Methodist United Methodist Church, 400 Michigan Ave.) with a choice of a 3:00 p.m. concert or a 7:30 p.m. concert. All tickets are a \$2 donation.

Jan Annis To Head CF Campaign

Commission on Aging Menu

Dinners are served Monday, Tuesday, Wednesday, and Thursday at 4:30 p.m., Friday at Noon. Make your dinner reservations for the evening meal by 11:00 a.m., or by 9:30 a.m. for the noon meal. Call 348-7123 or 348-8031.

The meals are served within the Grayling Housing Facility, 308 Lawndale Dr., and the community is welcome to attend. Regardless of income, persons over 60 years, or their spouse is over 60, can eat for a \$1.35 donation. All dinners include roll or bread, butter, coffee, tea or milk.

Tues., Sept. 24 - Stuffed Cabbage, Corn, Apple Rings, Pudding, Mixed Fruit Juice.

Wed., Sept. 25 - Veal Parmigiana, Spaghetti Marinara Sauce, Wax Beans, Fruit Cocktail, Jello w/Fruit Papaya Juice.

Thurs., Sept. 26 - Meatloaf, Boiled Potatoes, Corn, Tomato Salad, Pears, Pineapple Juice.

Fri., Sept. 27 - Roast Turkey w/Dressing, Potatoes, Peas, Melon, Cake, Apple Juice.

The Cystic Fibrosis Foundation has appointed Jan Annis to be Chairman of the 1985 "Breath of Life" Campaign in Grayling. Cystic Fibrosis, an incurable genetic disease that affects the lungs and digestive system, is the number one genetic killer of children and young adults in the country.

September has been designated by the National Health Council as the month for the Cystic Fibrosis Foundation to promote their educational and fund raising campaign. National CF Week is September 15-21. The chairman will organize the campaign to raise money for research, diagnosis, education and treatment of Cystic Fibrosis.

Gene Riley, State Campaign Chairman, reports that "Cystic fibrosis (CF) kills more children each year than diabetes and muscular dystrophy combined. Every day an average of five American children are born with cystic fibrosis and three die from it. We all need to learn more about CF to extend the length and quality of life for children with this disease."

Cystic Fibrosis Week is an opportunity to become aware of the many symptoms of CF. CF causes the body to produce an abnormal amount of glue-like mucus that clogs the lungs and intestines, resulting in severe breathing and digestive problems.

Research and treatment techniques have helped prolong the lives of people with CF, but there is still no test to identify the approximately 10 million Americans who are carriers of the CF gene. "Solutions to the puzzle could be found tomorrow," Gene Riley said, "but today thousands of children and young adults in this country literally are fighting for the breath of life."

To increase public awareness of CF, the Michigan chapter of the Cystic Fibrosis Foundation will be conducting a door-to-door campaign to distribute information and solicit funds.

For information about Cystic Fibrosis, write the Cystic Fibrosis Foundation of Greater Michigan, 104 N. Washington Avenue, Saginaw, Michigan 48607.

Daniel's Den

Saturday, Sept. 21, 1985, is Jamboree night at the Den. This is when the stage is open to anyone who wants to share a song or word of testimony. We always have a good time, and even the children get a chance to sing and share their talent. Come expecting a blessing.

Daniel's Den is located on the corner of the I-75 Bus Loop and West M-72 in Grayling, in the Parlor.

The Den is open from 8:00 p.m. to 10:00 p.m. to everyone of any age. There is no admission charge, however, donations are accepted at the door.

For more information, call 348-4151.

Engagement Announced

Mr. and Mrs. David P. Reisinger of Grayling are proud to announce the engagement of their daughter Kathryn Elizabeth to David James Bendig, son of Shirley Bendig of Grayling and Walter Bendig of Florida.

The bride elect is a senior at Grayling High School and is currently enrolled in Cosmetology classes at Kirtland Community College. She is a part-time employee of the Ben Franklin Family Center.

Mr. Bendig is employed by Glen's Market and is a member of the Michigan Army National Guard at Camp Grayling. No date has been set for the ceremony.

City Council Proceedings

Regular meeting of the City Council held August 26, 1985. Meeting called to order by Mayor Thompson at 7:30 p.m. Members present: White, Golnick, Thompson, Latuszek, Sloan.

Members absent: None.

Also in attendance: Kay Ellen Junttila, A. Donald Sorenson, Bob Dittmer, WQON; Carol Conklin, Rosemary Barr.

Motion by Golnick, supported by Latuszek that the minutes of the meeting of August 12, 1985 be approved as presented. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Citizens who wish to speak:

Carol Conklin was present to discuss the parking problem she has in front of her establishment at 405 Peninsular Street. She has employees from other businesses parking there for 8 hours at a time so that customers for her store and the store next door have no place to park. Discussion was held regarding this problem and Council agreed to have the City Manager write a letter to the businesses stating this concern and what could be done to eliminate the problem to everyone's satisfaction.

Communications were received and noted.

From Grayling Housing Commission re: Meeting Minutes (draft) of August 13, 1985.

Old Business.

Sale of 1981 Ford Car.

Motion by Golnick, supported by Thompson that a For Sale sign be placed on the 1981 Ford Car and park it out in front of City Hall. To be sold for \$1800.00. Ayes: 5, Nays: 0, Absent: 0, motion carried.

New Business.

City Election Schedule. Discussion was held regarding the November 5, 1985 City Election. Two City Council terms expire this year, each a 4 year term.

A request for Off Premise SDD License for Glen's Market No. 3, Inc. and Garb-Ko, Inc. was received from the Liquor Control Commission.

Motion by Golnick, supported by Thompson to approve the request for Off Premise SDD License for Glen's Market No. 3, Inc. and Garb-Ko, Inc. subject to satisfactory Police Report. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Reports of City Manager. None.

Reports of Council Members.

Mr. Sloan asked Mr. Sorenson about the grass being cut in the triangle across from the hospital. Mr. Sorenson replied that it would be taken care of.

Mr. Golnick reported on the November 1, 1985 Region 8 and 9 Meeting he is going to attend in Ann Arbor.

Mr. Thompson reported on a letter he received regarding the produce stands in the area. This matter has been looked into before by the City Attorney, however, someone will be attending a future Council Meeting to discuss the produce stands.

Adjournment.

Motion by Sloan, supported by Golnick that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 8:00 p.m.

Kay Ellen Junttila
Dep. City Clerk

Crawford County Board of Commissioners

August 22, 1985 — Special Meeting
SYNOPSIS

Road Commission Minutes

August 9, 1985

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Parker presiding. In attendance were: Commissioners Grover Cason and Gloria Kraus, Engineer-Manager John Keir, Acting-Secretary Joanne Turner, Fredie Neilson, Chairman of Roads and Bridges; Harold Mertes, Frederic Township Supervisor, Carl Caplinger, Harlan Lepper, Sr., and Jack Fales, residents of Frederic Township.

The minutes of July 26, 1985 were read. Commissioner Krause made a motion to accept the minutes as read, seconded by Commissioner Cason. All voted in favor, minutes approved.

Payroll Voucher Number 16 in the amount of \$23,295.21 and Material checks numbered 9544 through 9612 in the amount of \$26,591.50 were presented to the Board for approval of payment. Commissioner Cason made a motion to accept the vouchers, seconded by Commissioner Kraus.

Andie Neilson approached the Board regarding the overpass on Fletcher Road. Mr. Caplinger, Mr. Lepper and Mr. Fales represented by Mr. Mertes appeared before the Board regarding the paving schedule of Hiawatha Drive, North of County Road 612. They were informed that this road should be paved in early 1986.

Engineer-Manager Keir informed the Board of a Vacationland Meeting August 22, 1985 and the annual CRASIF (Workman's Compensation) Meeting September 11, 1985. The Board gave Mr. Keir authorization to vote at the CRASIF meeting.

Permits received and signed were Consumers Power Company to install underground service in Jeanette Street in Grayling Township and General Telephone Company to bury communication cable on County Road 612 in Maple Forest Township. A third permit was received but not approved due to no proof of insurance.

Discussed was a water problem on a county road at Lake Margrethe.

Engineer-Manager Keir informed the Board of severe water leaks in the roof. The Board instructed him to obtain opinions on repair and estimates.

There being no further business before the Board, a motion was made and seconded to adjourn. All voted in favor, meeting adjourned.

1985 M.D.A. Fish Bowl a Success

We would like to thank everyone who helped make 1985 a good year for M.D.A. at 7-Eleven. We raised over \$1400.00.

Congratulations go to Shawn & Eddie Hess who both collected over \$120.00 each, and received a 10-speed Huffy bike for their efforts. Also a special thanks to Dan May who collected over \$110.00, Mr. Ken Gates donated \$10.00 and a mystery person who dropped \$50.00 in our fish bowl. Next year we hope to do better. Remember you can contribute year round!

NOTICE TO BIDDERS

The Crawford County Road Commission will receive sealed proposals at their office at 320 State Street, P.O. Box 674, Grayling, Michigan 49738 until 10:00 a.m., September 20, 1985 at which time and place they will be opened and read aloud for furnishing the following:

USED FORK LIFT

Information may be obtained at the offices of the Crawford County Road Commission.

The Road Commission reserves the right to reject any or all proposals to waive defects and to award the bid deemed to be in the best interest of the County.

A. Regrade with adequate drainage.

B. Turf development with sprinkling.

Safe modern equipment.

D. Designed for sand control inside buildings.

VII. Grayling Elementary sitework to improve vehicle traffic flow.

The millage rate for the \$4,950,000 bond issue approved by voters will be 2.72 mills for the first year, which will appear on the December tax bills.

For the July and December tax bills next year, the total of 2.72 mills is expected to be cut. Reynolds said it is a good time to be selling bonds since the state of Michigan's rating was upgraded recently and interest rates are low.

The 2.72 mills on the December tax bills represents a 2.5 mill increase from last year's tax bills because the school district recently lowered the debt retirement millage .22 mills. The Grayling Elementary School will be paid off in 1989 and the Frederic Elementary School will be paid off in 1991 further reducing the debt retirement millage.

The entire cost of the renovation and construction projects is \$5,294,800. The school district expects to make \$344,800 in interest on the \$4,950,000 borrowed through the bond issue. By law, the school district must include the amount expected to be earned in interest in the total fund to reduce the amount to be borrowed.

Bits by Fay

Mrs. Elsie Thibedeau of South Lyons returned home after spending some time with the Gordon Pond family. Mrs. Thibedeau was here to attend the 50th Wedding Anniversary party. She was Mrs. Pond's maid of honor Aug. 31, 1935.

Mrs. Josephine Owens of Illinois is visiting Mrs. Ethel Hummell. They returned in August from an interesting cruise in Europe. They flew to England where they boarded a ship for the Scandinavian countries which also included lunch in Lenin-grad and an evening at the ballet there. Mrs. Owens said that it was the most beautiful building that she believes she has ever seen. Following the cruise they took a bus tour of the British Isles.

Mrs. Ruth Hooper's guests this weekend were Mr. and Mrs. Alvis Glenn of Portsmouth, Ohio and daughters, Beverly of Portsmouth and Charlotte Pew of Columbus, Ohio, her nephew and his wife, Larry & Mary Robson and their 2 daughters, Sheri & Kerry.

Awarded Scholarship

Valparaiso, Ind. - Lexis Wegner, daughter of Grace Dopp Wegner, Grayling, has been awarded a Wilbur C. Dopp Memorial Endowed Scholarship to Valparaiso University. She is a freshman in the College of Business Administration.

A member of the 1985 graduating class of Grayling High School, Lexis was basketball statistician for three years and volleyball manager for one year. She was on yearbook staff and in National Honor Society. Lexis is a member of Mt. Hope Lutheran, Grayling.

Valparaiso University, located in Indiana 55 miles southeast of Chicago, was founded in 1859 and purchased in 1925 by The Lutheran University Association. Today it is a well-respected institution of higher education. It serves approximately 4,000 students annually through its Colleges of Arts and Sciences, Business Administration, Engineering, and Nursing, Christ (honors) College, School of Law, and Graduate and Evening Divisions.

Grayling Travelogue Series To Begin September 26

Grayling's 13th annual Travel and Adventure Series will get off to a roaring start on Thursday evening, September 26 at 7:30 p.m. in Grayling High School's Joseph Stripe Auditorium. On that evening, Howard and Barbara Pollard will be appearing to narrate in person their delightful panoramic documentary of the east coast of the United States. Between Bangor, Maine and Key West, Florida you'll see every state and marvel at the continuing changes in climate, culture, attitudes and scenery.

This Travel and Adventure Series is sponsored by the Grayling Community Education Program as a part of its effort to provide the community with cultural and recreational activities. Each travelogue is a full-length, full-color documentary of various parts of the world. Each travelogue is narrated live and in person by the lecturer-photographer who actually took the pictures. Travelogues are not only highly entertaining, they are also very educational.

Season tickets for the Grayling Series are presently available and can be purchased from the Community School Office by mailing in the order form below. They can also be purchased in person from the Board of Education Office Building in downtown Grayling. Season tickets sell for \$15.00 for adults and \$12.00 for students and senior citizens. Single admission price at the door is \$3.50 per person. Season tickets will also be available at the door September 26.

Grayling Opens Defense Of League Title Tuesday

Grayling will start the defense of their league championship Tuesday against Michigan Huron Shores Conference foe Petoskey.

Grayling won its first league title last year with a 15-1 mark.

This year, the Vikings have opened the non-conference portion of their schedule with a 0-3 mark. The margin of loss has narrowed with each game.

They lost by 8 in the first game to Houghton Lake, 4 in the second game to Roscommon, and 2 in the third game to West Branch.

Against Roscommon, Grayling led 8-3 and 14-13 after the initial two quarters. Roscommon turned the tables and led 26-19 after third quarters and won 36-32.

Grayling hurt themselves with fouls. The Vikings had 26 fouls called against them while Roscommon fouled

only 9 times. Grayling went 4 for 5 from the line while Roscommon hit 9 for 32.

Kim Springer led the Vikings with 14. Michelle Moore hit for 6, Stacey Hinds 4, Dena Thayer 4, Shawn Denton 2, and Katherine Krause 2.

Against West Branch, Grayling was behind 7 to 17 after one quarter and 19 to 24 at the half. They pulled ahead 34-30 after three quarters, but dropped a close contest 43-41.

Grayling was ahead by 5 points with four and a half minutes to go. They had a one-point lead and the ball with a minute and a half to go.

Moore led the team with 18, Denton had 11, Hinds 4, Springer 3, Trudeau 3, Thayer 1, and Jenni Branch 1.

J.V. Girls Beat

W. Branch 31-28

The Grayling J.V. girls beat a taller West Branch squad 31 to 28 to push their record to 2-1 for the year.

In the West Branch contest, Kelly Springer led Grayling with 10 points. Kelly Hudson put in 6 points, Patti Tremblay 4, A.J. Pratt 4, Carrie Trudgeon 2, Jenni

Money 2, Lori Gust 2, Angie Larson 2, and Linda Goodale 1.

The J.V. team dropped their first game of the year to Roscommon 32-24.

Springer led Grayling with 6. Trudgeon had 5, Tremblay 4, Money 3, Pratt 2, Gust 2, and Hudson 2.

Late Scores Give

Cheboygan 26-0

Win Over J.V.'s

Two last-minute scores gave Cheboygan an easy-sounding 26-0 win over the Grayling J.V. team, but the game was a defensive struggle most of the 32 minutes.

Grayling fought powerhouse Cheboygan to a 0-0 standstill halfway into the second quarter. Grayling stopped Cheboygan and forced a punt to the Viking 15. On Grayling's first play, a pitch was fumbled and Cheboygan recovered on the seven. They scored to go up 6-0.

Both defenses held the rest of the quarter and it was 6-0 at half. The third quarter was scoreless until the end when Cheboygan drove and went up 12-0.

With seven minutes to go in the last quarter, Cheboygan scored a safety. They added a touchdown in the last two minutes and another one with 29 seconds left.

"We didn't play bad," J.V. coach Fred Wolcott said. "They're probably the best team we'll face."

Wolcott said Chris Skidmore did a good job throwing the ball and Craig Hudson played a good game on the line. John Gay, Mike VanHill, and Paul Anteau were credited for good defensive secondary work.

Grayling had only two penalties all night - but one holding call nullified a 40-yard pass gain to the Cheboygan's 10-yard line.

Grayling Elementary School News

My Trip to the Fish Hatchery

Our class went to the fish hatchery Thursday afternoon at 12:30. We walked there and back again. We came to visit you and the fish and alligator. I enjoyed feeding the fish and alligator. Especially I liked the fish you showed us where the big fish almost ate the little one. Mr. Hatfield, I might come back next year. By Terra Stephan, 4th grade.

Medley Wins Roscommon 10K

Gina Medley, of Grayling, won the Firemen's Memorial 10K run Saturday in Roscommon taking first in the women's division with a 41:55 time.

Jim Gardiner, of Grayling, took third in his age division 20-29 with a time of 35:39. Butch Stockton took third in his age division 30-39 with a time of 39:00.

Cheboygan Beats Vikes 62-6

Cheboygan used four long touchdown runs and a long touchdown pass to help down Grayling 62-6 last Friday at Cheboygan.

Grayling battled Cheboygan in the first quarter only giving up one drive down the field for a score. After the 6-0 first quarter, Cheboygan used long touchdown runs of 19, 35, 73, and 19 yards in the second quarter to put the game out of reach.

They added touchdown runs of 9 and 2 yards in the third quarter. In the fourth quarter, Cheboygan scored on a one-yard run and a 39-yard pass.

The Vikings scored on a 37-yard run by Tom Miller in the fourth quarter.

Viking coach Bill Klinger said Miller, who gained 63 yards, and Lacey Stephan ran hard the entire night. Stephan broke his thumb during the game, reducing the number of Vikings to 21. Cheboygan had 45 players.

The Viking's passing game also improved from the Roscommon game. The offen-

sive line offered good pass protection and Todd Klinger was 7 for 10 for 63 yards and George Duncan was 2 for 7 for 36 yards.

Don Brooks, Jeff Wolcott, and Jim Laurent were the leading Grayling tacklers.

Klinger said the Grayling players hung in there despite the score.

He said the team will try to regroup for Friday's home game against Petoskey and emphasize basics on both offense and defense.

WHITE ON CMU TEAM - Redshirted freshman Darin White (93) is on the 1985 Central Michigan University football roster. The Grayling High grad is pictured with assistant coach Tom Kearly. White won All-State honors at GHS in football during 1983.

- Old Kent Bank of Grayling
- The Icehouse

Chamber Chatter

The citizens of Crawford County are to be commended on their passage of the school millage proposal. The education system of an area plays a very major role in determining its economy. A revitalized Middle School will attract new residents and new businesses. We have done a good thing for our children's education and helped to insure our economic future.

The school issue is only one of many of the dynamic jet-tison of our community into the mainstream of the twentieth century. It is an exciting time to live in the Grayling area.

This week we welcome into Chamber Membership - Annie B's and the Little Red Shoe House located in the Mercantile Mall, Radio Station W.J.G.S. Shay Broadcasting of Houghton Lake and Dr. Jack Bergstrom who is the new Optometrist in Dr. Ralph Hoffman's Office at 904 Michigan Ave. These new members are new people in the community. Be sure to stop in and welcome them. We at the Chamber look forward to working with them for the betterment of their businesses and the entire community.

CHURCH DIRECTORY

From siding to main line

Among railroaders the "high iron" is paramount. That's the main line. That's where the action is. And every nerve in a railroad system is dedicated to keeping traffic moving swiftly and safely along the "high iron."

Yet sidings are important, too — for waiting... for coupling... for making up the trains that will roll on the "high iron."

There are lots of kids on sidings!

The Church depends on you — parents, leaders, citizens in this community — to bring them where the main line begins.

The future is limitless for that boy or girl who gains a vision of his or her destiny in life, and the spiritual stamina to achieve faithfully God-given potentials.

Kalkaska Plat Books Available

By Verna Morrison
4-H Program Asst.

You can get a copy of the Kalkaska County Plat Book at the Kalkaska Cooperative Extension Service office. The most current map is \$10.00. There are still a few 1981 maps available for \$2.00. You can pick up a copy or place an order by phone 258-5074, and have the plat book mailed for an additional cost of \$1.00.

What is in a plat book? There is a map of each of the 12 Kalkaska County townships showing privately owned land, as well as state properties.

You can locate horse, hiking, snowmobile, cross country, cycle and ski trails, as well as village boundaries, school and cemetery locations. There is also a complete index of landowners having 10 acres or more.

Land ownership changes, however, there is much that does not — location of lakes and streams, recreation areas, township boundaries and roads.

You can also become aware of services offered by area businesses through their advertisements.

Proceeds from Plat Book sales help support the County 4-H Program.

Cooperative Extension Service programs are open to all without regard to race, color, national origin, sex or handicap.

Citizens Bank Studies Expansion

Citizens Banking Corporation has been studying expansion opportunities as part of its strategic plan to position itself for changes occurring in the banking industry. Citizens believes that combinations with other organizations will enable it to meet the challenge of deregulation and to compete more effectively in the changing interstate banking environment. Such combinations should have a positive effect on Citizens' shareholders, employees and the communities it serves.

One organization with which Citizens has had discussions recently is Second National Corporation of Saginaw, Michigan. However, no agreement with Second National has been reached. Citizens and Second National may continue with their discussions, but there can be no assurance that, if continued, such discussions will lead to an agreement. If and when an agreement is reached, an announcement will be made. Until such time, neither Citizens nor Second National intends to comment further on this matter.

The stock of Citizens is traded over-the-counter, NASDAQ System, under ticket symbol "CBCF".

Your Week Ahead Horoscope

Forecast Period: 9/22-9/28/85

ARIES

Mar. 21-Apr. 19

An unexpected opportunity arises where you find yourself in surroundings different from your customary habitats. It's exciting.

TAURUS

Apr. 20-May 20

Subtle changes come about in your lifestyle, as you pass on to new situations and new companions.

GEMINI

May 21-June 20

Objectives can be realized but it calls for cooperation with partner. Competing for attention defeats the purpose.

CANCER

June 21-July 22

New techniques bring a refreshing outlook to employment matters. This is especially true in the healing arts.

LEO

July 23-Aug. 22

Pleasant social encounters stimulate an interest in arts and the theater. New methods of self expression are revealed.

VIRGO

Aug. 23-Sept. 22

Domestic harmony has its ups and downs. You realize there are some radical changes taking place.

LIBRA

Sept. 23-Oct. 22

Take a course of study and find the answers to perplexing situations. The learning experience has no end.

SCORPIO

Oct. 23-Nov. 21

Financial endeavors are apt to involve other peoples' money. Clever business manipulation brings gain thru organizational work.

SAGITTARIUS

Nov. 22-Dec. 21

Assert your independence. Break free from the invisible chains that bind and open the door to new experiences.

CAPRICORN

Dec. 22-Jan. 19

Changes take place in the source of your income. Adjustments must be made. Greater freedom lies ahead.

AQUARIUS

Jan. 20-Feb. 18

Intuitive insight into social and spiritual conditions finds you working to improve the lives of those you touch.

PISCES

Feb. 19-Mar. 20

An opportunity to meet people of power and authority in the community brings a change in your professional status.

Notice of Mortgage Foreclosure Sale

Default having been made in the conditions of a certain mortgage dated the 3rd day of July, 1980 by LEVINUS deKOSTER (signed L. deKOSTER) and NANCY deKOSTER, husband and wife as Mortgagors, to DIANE A. HATLEY and JAMES WALTER HATLEY II, as Mortgagee and recorded on the 15th day of November, 1982 in Liber 211, Page 380 and 381 Crawford County Records, Crawford County, Michigan; on which mortgage there is claimed to be due and unpaid at the date of this Notice the sum of Thirteen Thousand Seven Hundred Forty and 03/100 (\$13,740.03) Dollars, plus real estate taxes due for 1982, 1983 and 1984, plus interest, and other allowable costs; and ASSIGNED TO BRUCE M. GILLIS on August 14th, 1985 by Diane A. Hatley and James Walter Hatley II, as Mortgagee's; said Assignment being recorded in Liber 237 Page 222 on August 16th, 1985, Crawford County Records, Crawford County, Michigan; no suit or proceeding at law or in equity having been instituted to recover the debt or any part of the debt secured by said mortgage; and the power of sale contained in said mortgage having become operative by reason of such default.

NOW, THEREFORE, Notice is hereby given that on Friday, September 27, 1985 at 2:00 o'clock in the afternoon at the main front door of the Crawford County Building, Grayling, Michigan that being the place for holding Circuit Court for said County, there will be offered for sale and sold to the highest bidder at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, with interest thereon at Seven percent (7%) together with all legal costs, charges and expenses, including the attorney fees allowed by law, and also any sum or sums which may be paid by the undersigned, necessary to protect its interest in the premises described in said mortgage as follows, to-wit:

"Commencing 80 feet West of the Southeast corner of Block 8, thence North 90 feet; thence West 36.5 feet; thence South 90 feet; thence East 36.5 feet; Being Part of Lots 1 and 2, Block 8, Original Plat of the Village (now City) of Grayling, according to the plat thereof as recorded in Liber 1 of Plats, Page 02, Crawford County Records, Situated in City of Grayling, Crawford County, Michigan."

The redemption period shall be six (6) months from the date of such sale.

Property may be redeemed by paying amount bid at the sale, plus interest thereon at seven percent (7%) and any fees, insurance, taxes or other expenses or unpaid encumbrances on the property from date of sale.

"Includes a Mortgage to the Grayling State Bank dated April 18, 1978 with a balance due of \$21,836.82 with interest from August 22, 1985 at 10%."

Dated: August 20, 1985.
BRUCE M. GILLIS,
Assignee of said Mortgage
Nelson A. Miles (P17728)

Clear Air

Small bowls of herb vinegar in each corner of a room can help clear smoky, stuffy air.

Bright Star

Vega glitters through the 24-inch telescope like a fine-cut diamond. One of the most brilliant stars in the heavens, it fascinates many astronomers who think that a planet or perhaps even an infant planetary system may be circling nearby.

Astronomers have yet to find one of their most elusive prizes -- a planet orbiting a star outside the solar system.

Finding such an object would have far-reaching implications. One of the great questions is whether life exists elsewhere in the universe.

Legal Notice

STATE OF MICHIGAN
In The Probate Court For
The County of Crawford

File No. 4302
CLAIMS NOTICE
INDEPENDENT PROBATE

Estate of HARRY LUNGER, Deceased a/k/a HARRY M. LUNGER, 367-01-8995.
TO ALL INTERESTED PERSONS:

Your interest in the estate may be barred or affected by the following:

1. The Decedent, whose last known address was Danish Landing Road, Grayling, Michigan 49738 died 8/27/85.

2. An instrument dated 8/19/78 has been admitted as the will of the Decedent.

3. Creditors of the Decedent are notified that all claims against the estate will be barred unless presented within four months of the date of publication of this notice, or four months after the claim becomes due, whichever is later.

TO THE INDEPENDENT PERSONAL REPRESENTATIVE: ROBERT BARNETT, c/o DOUGLAS C. DOSSON, P.O. Box 593, Roscommon, Michigan 48653.

Notice is further given that the estate will be thereafter assigned and distributed to the persons entitled to it.

This estate is not being supervised by the Probate Court. Any interested party may file a written petition with the Crawford County Probate Court, located at the Crawford County Building, Grayling, Michigan, and with the independent personal representative objecting to the appointment and to the admission of the Decedent's will to probate.

Notice of Mortgage Foreclosure Sale

Default having been made in the conditions of a certain mortgage made on the 14th day of October, 1980, by Timothy H. Francis and Betty J. Francis, as Mortgagors, to the NORTHERN NATIONAL BANK, of Grayling, Michigan, Mortgagee, and recorded on the 21st day of October, 1980 in Liber 191 of Mortgages, Pages 260 thru 263, in the Office of the Register of Deeds for the County of Crawford, on which mortgage there is claimed to be due and unpaid at the date of this Notice the sum of FIFTEEN THOUSAND FIVE HUNDRED EIGHTY TWO DOLLARS AND 45 CENTS, (\$15,582.45), plus interest and other allowable costs;

Further, no suit or proceeding at law or in equity having been instituted to recover the debt or any part of the debt, secured by said mortgage, and the power of sale contained in said mortgage having become operative by reason of such default;

NOW, THEREFORE, notice is hereby given that on the 3rd day of October, 1985 at 10:00 in the forenoon at the main front door of the Crawford County Building, Grayling, Michigan, that being the place for holding the Circuit Court for said County, there will be offered for sale and sold to the highest bidder at public sale, for the purpose of satisfying the amounts due and unpaid upon said mortgage, with interest thereon at 13.25 per cent, together with legal costs and charges of sale, provided by law and in said mortgage, in the land and premises in said mortgage mentioned and described as follows:

The N½ of the N½ of the NW¼ of Section 14, T25N, R4W, (Being Parcels "A" through "F" as shown on survey recorded in Liber 179, Pages 43, 44 and 45, Crawford County Records.

The redemption period shall be 12 months from the date of such sale. Property may be redeemed by paying the amount bid at the sale, plus interest thereon at 13.25 per cent, and any fees, taxes, or other unpaid encumbrances on the property from date of sale. The property shall be offered for sale in parcels or in total.

County Truth in Taxation Hearing

The Crawford County Board of Commissioners will hold a public "Truth in Taxation" hearing Thursday, Sept. 26, 2 p.m. at the courthouse. The hearing is required by law if the county wants to levy the entire 7.5 mills authorized by voters. Because state equalized values have increased 4.67 percent on the tax base in Crawford County, the 7.5 mills levied by the county would bring in \$63,357 extra this year above last year. Without the hearing, the millage would roll back .34554 mills to offset the S.E.V. base increase.

Special for September and October, 1985

GRAYLING Regional Chamber of Commerce

Frederic Lady Honored

Marion Ayers of Frederic, was one of approximately 1,300 top independent Stanley dealers and sales management who were recently honored at the "Discovery '85" Pilgrimage hosted by the Stanley Home Products Division in Westfield, Massachusetts.

An independent Group Leader, Ayers was recognized for her outstanding 1985 sales achievements at award ceremonies held during the annual three-day event.

One of the company's top Group Leaders in recruiting new dealers, she was named Queen of Recruiting for her region.

BPWA Meet

Grayling Business and Professional Women met for their regular meeting on Sept. 5th. There were 20 members and 5 guests at the meeting.

After the dinner Derek McEvers of Sorenson Funeral Home talked to us and showed a movie on preparing for death and arranging for plans by oneself in place of leaving all plans for our survivors. He explained many items to us and we learned much from having him as our guest speaker.

Audrey Lau, our district 3 director spoke to us on many topics regarding club work. She was accompanied by Theresa Lile, the district treasurer. She gave a short talk on the SLURP project.

Our club is busy stocking the DDS Pantry and making plans for the Christmas program. On Dec. 7th, we will sponsor the annual "cartoon" movie at the Rialto theater. Anyone wishing to sew gowns or pajamas for our Christmas program - contact Aleta Thompson at RSVP please.

On Sept. 14, our club will host a workshop from 9 to 5. The subject of this workshop is "What Your Mother Never Taught You About Business".

Next meeting will be held at Holiday Inn on Oct. 3 at 6:00 p.m.

Beatrice P. Berry
Publicity Chairman

Chamber To Hold "For Women Only" Fashion & Entertainment Show

Plans are progressing smoothly for the "For Women Only" Fashion and Entertainment Show to be held Thursday, September 19th at 7 p.m. at the K of C Hall. Tickets are \$5 in advance and \$6 at the door. They are available from the Chamber of Commerce, Annie B's, The Village Shop, Olson's, Old Kent Bank of Grayling and The Icehouse.

The fun includes fashions by local merchants, Treasure Chest of Prizes, solo performance by Amy Smith, "Specialty Spot" by Irv McIsaac and the finale by Grayling's own All Male Revue. Complimentary refreshments will be served.

Adult High School Completion Classes Begin This Week

Adult High School Completion Classes sponsored by the Crawford AuSable Community Education Office are beginning this week at Grayling High School. These classes, which are offered free to anyone who can apply the credit toward their high school graduation, are being offered through the Whittemore-Prescott Adult Education Consortium. Any area adult who does not have their high school diploma and would like more information on the adult program should contact the Community School Office any evening this week.

Beginning September 23, Adult Enrichment Classes will be meeting at Grayling High School also. These classes which range all the way from photography to upholstery, are offered to anyone interested. There is a small tuition charge for each class. For more information about the enrichment classes, contact the Community School Office or see the pull-out section of last week's Avalanche.

Women's Aglow

The Grayling Women's Aglow, which is an interdenominational group of women who love and serve Jesus Christ, will be putting on a fresh new face this year. The St. Francis Episcopal Church on 72 West just out of Grayling, has graciously offered the church facilities as a new home for Aglow. There will be a nursery available and a warm, inviting atmosphere for the ladies to worship in. The ladies are looking forward to a year of inspiration and teaching with much anticipation.

Aglow wishes to extend its grateful appreciation to St. Mary's Catholic Church for its hospitality and encouragement in the past years. It has been greatly appreciated.

The first meeting of the year will be Saturday, Sept. 21, at the Episcopal Church and will begin at 9:30 a.m. with refreshments until 10:00 a.m. At that time, the ladies will join in worship and song. From 11:00 a.m. - 12 noon, Maggie Priestap will be ministering to the ladies. Mrs. Priestap is the president of Grayling Women's Aglow and always has a message that blesses as well as encourages.

All of our area ladies are encouraged to attend these times of spiritual refreshing. Anyone having any questions in this regard may call 348-8314.

Women's Club To Meet

The Christian Women's Club plan a special day with its national founder Mrs. Helen D. Baugh. Everyone is invited for this special day.

Mrs. Helen D. Baugh, who travels extensively on this continent and abroad, is a most welcome speaker in cities across the country.

Mrs. Baugh will be speaking at the Christian Reformed Church, M-55, Cadillac, MI., Tuesday, Sept. 24, 1985, from 9:30 a.m. - 2:00 p.m. Coffee hour and get acquainted time from 9:30 a.m. - 10:00 a.m. Please bring a sack lunch. Nursery available at the Church. Reservations by Sept. 20, 1985. For reservations you may call Vendetta Hatfield at 366-7129 or Dolores Peckham at 821-9317 or Pauline Burns at 422-3862. Late reservations will be accepted. Everyone is welcome.

C.P.R. Class To Be Held

Everyone should have C.P.R. Certification, you never know when you may be able to save the life of a family member, friend or a stranger.

A C.P.R. class, taught by Tony Doremire, will be held Tuesday, Sept. 24 and Thursday, Sept. 26 at 7:00 p.m. You must attend both classes in order to be certified.

The address is 802 Ingham. The fee is \$1.00, 60 and over .50 cents. Refreshments will be served after the class.
